TOWN WARRANT.

COMMONWEALTH OF MASSACHUSETTS,
MIDDLESEX, SS.

To any Constable of the Town of Weston,

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn all of the inhabitants of the said town, qualified by law to vote in elections and town affairs, to meet in the Town Hall, in said town, on Monday, the 21st day of March, 1932, at 12 o'clock noon to act on Article 1 of this warrant; and to meet in said Town Hall on the same date at 7.30 o'clock, P.M. then and there to act upon the remaining articles of this warrant.

The polls for the election of town officers will be opened at 12 o'clock noon and may be closed at 7.45 o'clock, P.M.

ARTICLE 1. To bring in their votes for the following town officers, each to be designated and all to be voted for on one ballot, namely:—

- A moderator for a term of one year,
- A town clerk for a term of three years,
- One selectman for a term of three years,
- One member of the board of public welfare for a term of three years,
- One assessor for a term of three years,
- One member of the school committee for a term of three years,
- A treasurer and collector for a term of one year,
- An auditor for a term of one year,
- One library trustee for a term of three years,
- A library treasurer for a term of one year,
- One trustee of the Merriam Fund for the Silent Poor for a term of three years,
- One park commissioner for a term of three years,
- One cemetery commissioner for a term of three years,
- One member of the board of health for a term of three years,

Three measurers of lumber for one year,
 One member of the board of commissioners of trust funds for
 a term of three years,
 One member of the board of water commissioners for a term of
 three years,
 Five members of the planning board,
 A tree warden.

ARTICLE 2. To hear and act upon reports of town officers and committees.

ARTICLE 3. To determine whether the town will enlarge the purposes for which the special building committee established in 1931 to effect certain changes in the plant of the public schools may expend the portion (\$15,000.00) of the appropriation for such changes which was allocated to alterations, razing and incidentals.

ARTICLE 4. To determine whether the town will authorize the acquisition by purchase, eminent domain or otherwise, for the purposes of the public schools, of the fee or other interests in land of Zada J. Robertson adjacent to the present school site; and to determine whether the town will authorize an expenditure for such purpose of the unexpended balance of the appropriation of \$4,000 made under Article 4 of the Warrant at the annual town meeting of 1931.

ARTICLE 5. That Section 6 of Article III of the By-Laws is hereby amended by striking out the word "posted" in the third line thereof so that said section shall read as follows:

"SECTION 6. No person shall fire or discharge any firearms or explosives of any kind within the limits of any highway, park, or other public property, or on any private property, except with the consent of the owner or legal occupant thereof; provided, however, that this by-law shall not apply to the lawful defence of life or property, nor to any discharge of firearms in accordance with law."

ARTICLE 6. To determine whether the town will authorize the Board of Health to make health regulations, including regulations concerning house drainage.

ARTICLE 7. To determine whether the town will accept and allow an alteration of Crescent Street made by and described in an order by the Selectmen dated March 7, 1932, on file in the office of the town clerk, and shown on a certain plan mentioned in said order and on file in said office.

ARTICLE 8. To determine whether the town will vote to instruct or request the various town officers and committees to reduce all salaries 10 per cent, effective as soon as possible, said reduction to apply also to all salaries of town officials or committees as fixed by previous vote of the town.

ARTICLE 9. To determine whether the town will vote to appropriate from the overlay reserve fund the sum of \$17,544.76 as this town's share of the cost of the County of Middlesex Tuberculosis Hospital.

ARTICLE 10. To determine whether the town will vote to amend Article VIII of the By-Laws of the town by inserting after Section 9 a new Section 9 (a) to read as follows:

"Every lot laid out in the single residence or general residence districts after the taking effect of this amendment shall contain not less than twenty thousand (20,000) square feet."

ARTICLE 11. To determine whether the town will vote to amend Article VIII of the By-Laws of the town by inserting after Section 3 a new Section 3 (a) to read as follows:

"The removal for sale of sod, loam, sand, gravel or stone from single residence or general residence districts shall be deemed non-conforming uses of the premises. Such uses shall be permitted only under special permission of the Selectmen as provided in Section 16 and under such conditions as the Selectmen shall impose."

ARTICLE 12. To raise and appropriate, by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, or as may be required to defray the expenses of the town for the ensuing year; and especially to act upon all the appropriations asked for or proposed by the Selectmen or by the town officers or committees in their reports.

And you are to serve this warrant by posting three attested copies thereof according to the vote of the town, namely, at the town house, at the Kendal Green post office, and on the town bulletin board at the junction of South Avenue and Newton Street and Park Road seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant with your doings thereon to the Selectmen at the time and place of said meeting.

Given under our hands this seventh day of March in the year of our Lord one thousand nine hundred and thirty-two.

HERBERT E. TYLER,
BENJAMIN LORING YOUNG,
BRENTON H. DICKSON, JR.,

REPORT OF THE SELECTMEN.

The Selectmen submit the following report for the year ended December 31, 1931, and include herein the budget of appropriations recommended for the year 1932 as provided by section 5 of Article II of the By-Laws.

At the Annual Town Meeting held March 30, 1931, B. Loring Young was re-elected as a member of the Board for a term of three years. The Board organized immediately after the Annual Town Meeting by the election of Mr. Tyler as Chairman and Mr. Young as Secretary.

Stated meetings of the Board are held in the Selectmen's room of the Town House on the first Monday of each month at eight o'clock P.M. During the year 1931 the Board held three stated meetings, twenty-two special meetings and six public hearings. Members of the Board have also from time to time conferred with other Town officers and have attended hearings at the offices of the County Commissioners of Middlesex County and at the State House in Boston.

The list of officers and committees elected or appointed during the year and also a list of licenses and permits granted by the Board are set forth in detail in the Town Records, printed hereinafter in this volume.

Town Finances.

In making up the table of appropriations recommended for the fiscal year of 1932, we have tried to reduce all items to the lowest possible figure consistent with the carrying on of efficient public service. The Town is fortunate in the fact that many revenue appropriations of 1931 are non-recurring items and may be omitted. For example, the new fire engine at \$12,000, expenses incident to the Boston Post Road, reduced from \$15,000 to \$3,000, the item of \$15,000 for repairing the old high school building, and that of \$4,000 for the purchase of land accounted for \$43,000 of the reduction in the present budget.

In addition, we are not recommending the issue of any bonds, and we are heartily in accord with the recommendation of the Board of Water Commissioners that the sum of \$25,000 to be taken from the unexpended balances of Water Department bond issues be now used not for further extensions and improvements but to purchase and retire a portion of the existing water debt.

A few increases are unavoidable. The item of Election and Registration is larger because of additional primaries in a presidential year. The figure for Hydrant Service reflects more hydrants and that of Street Lighting a few more lamps. The increase for Water Department is occasioned because of certain work in repairing the old standpipe. In view of many uncertainties, it seemed best to increase the Reserve Fund to \$4,000.

These budget recommendations, if adopted by the Town, should make possible a decrease in the tax rate. That happy result cannot, however, be looked forward to with certainty because the receipts from corporation and income taxes are bound to be less, and this Town's share of state, county and metropolitan bonds undoubtedly greater. A glance at the table entitled "Other Expenditures," on page 31, will show how rapidly this indirect burden is growing, augmented this year for the first time by the Old Age Assistance tax.

In making up these tables, the Selectmen have not made any allowance for reductions in salaries and wages. A horizontal wage cut of 10 per cent would save a substantial sum. We would not suggest, however, a reduction in appropriations, even if such a cut were put into effect, because the amounts saved in the various departments might well be used to give additional part-time employment to many of our fellow citizens who are out of work. In view of the fact that many towns in this vicinity, including Wayland and Sudbury, have reduced salaries of municipal officers and employees, and also in view of the widespread distress growing out of unemployment and the vastly greater purchasing power of the dollar as compared with a few years ago, the people of this Town may feel that municipal salaries should be reduced approximately 10 per cent. The Selectmen make no recommendation on this matter, but have inserted Article 8 in the Warrant to ascertain the opinion of the Town.

Highways.

It has been the policy of the Selectmen for several years to recommend the expenditure of approximately \$15,000 a year for permanent highway construction. This policy was adopted because the expense of maintaining old roads is very high, running to \$400 or \$500 a year. On the other hand, a well constructed modern road, such as South Avenue, which was reconstructed for its entire length during the five years from 1926 to 1930, inclusive, can be maintained for a number of years at very small expense.

Last year we omitted such a recommendation because of the expenses for land damages and other incidental expenses arising out of the construction of the by-pass from Wellesley Street to Highland Street. Real estate was taken by eminent domain from approximately forty taxpayers. Final settlements in all but a few cases have now been reached. There was available in the Boston Post Road appropriation as of January 1, 1932, the sum of \$8,463.76, and we feel that an appropriation of \$3,000 additional should be sufficient to take care of all further expenses on account of the Boston Post Road during the current year. The Town gave to the Selectmen very broad power to make settlements, and we have endeavored to protect the interests of the Town while at the same time recognizing the fairness of the claims of taxpayers whose property is taken from them by force of the law.

We had hoped to undertake this year the relocation and reconstruction of Newton Street from Cutter's Corner to Ash Street. This work should be done in one year to avoid unnecessary inconvenience to abutting owners. The state and county were willing to share on the same basis as the South Avenue work, namely, one-third each allocated to state, county and town. The estimated cost as prepared by the Division of Highways was \$98,000 exclusive of land damages. It seemed to your Selectmen that the sum of \$32,000 plus a large contingent liability for land damages was far too great a burden for the Town to assume in this year of economic depression. We therefore so notified the state and county authorities, and we trust that our decision in this matter will meet with the approval of the Town.

Appropriations.

The budget of appropriations recommended by the Selectmen has been submitted to the Finance Committee as required by the By-Laws of the Town.

REPORT OF THE BOARD OF WATER COMMISSIONERS.

Gross income	\$34,174.86	
Operating expenses	16,179.58	
Operating profit		\$17,895.28
 Bonds paid	 \$17,000.00	
Interest paid	9,002.51	
		26,002.51
Deficit for year		\$8,107.23

The following improvements and extensions to the system have been made during the past year:

1. A 10-inch pipe was installed in School Street from the 12-inch main laid in Wellesley Street in 1929 to the existing 10-inch main near the corner of Maple Road, a distance of 1,203 feet.

This connection forms an extremely important link in the system. Not only does it provide for greater fire protection to the public school buildings, but it benefits the entire central portion of the Town.

2. The construction of the new Boston Post Road made it necessary to replace with a 10-inch pipe an inadequate 4-inch main in this street connecting the force main laid in 1929 and extending to Summer Street, a distance of 2,306 feet.

Because of a change in the grade of the surface of this street from Summer Street to a point near the Stony Brook railroad station a part of the existing 4-inch pipe was lowered.

Since the Commonwealth of Massachusetts has prohibited us from cutting the surface of the new road for a period of five years we laid a short length of 10-inch pipe under the intersection with School Street to serve as part of the replacement of the existing 6-inch main at this location. We strongly recommend that all of the 6-inch pipe in School Street and the 8-inch pipe in Newton Street should be replaced as soon as possible, since these pipes form a link in the system of great importance, and because the

full benefit of the new standpipe on Doublet Hill cannot be obtained until this work is undertaken.

3. One thousand one hundred and six feet of 10-inch pipe were laid in Conant Road from the existing 10-inch main in Viles Street to Sunset Road.

Yearly payments for ten years have been guaranteed by Mr. J. Irving Connolly to meet the major part of the cost of this installation.

The future extension of this main to the center of the Town will be of great benefit to the system and to the section which it serves.

4. A small amount of 4-inch pipe in Viles Street opposite the Hastings Organ factory, which obstructed the flow, has been replaced by pipe of a larger size.

5. A 12-inch pipe was laid for the entire length of Ware Street from the 12-inch main in Newton Street to South Avenue, a distance of 855 feet. Yearly payments for ten years have been guaranteed by Mr. George A. Morin to meet the major part of the cost of this installation.

This is a valuable addition to the system, since this main may be later extended in either direction in South Avenue, and may in the future serve as a connection with the Hubbard system located near by.

6. The location originally selected for the standpipe in Doublet Hill was on the saddle between the summits. A slightly better site at a higher elevation was found on a plateau at the south edge of the eastern summit, affording a space for a larger diameter standpipe of less height, giving greater storage available at the higher elevation.

The decision of the Weston Real Estate Trust to construct a road from Newton Street to a point near the summit of Doublet Hill made the location adopted for the standpipe more accessible than the one first selected, and also provided a more advantageous route for the pipe between Newton Street and the tank. The standpipe is 52 feet in diameter and 49 feet high. It is constructed of steel and has a conical roof which rises to an additional height of about 8 feet. It has a capacity of slightly over 750,000 gallons when filled to the maximum water level, which will stand at the same height as the overflow of the reservoir on Paine's Hill.

The standpipe is in operation and is completed except for painting. The present conspicuous priming coat will be covered by paint of colors to harmonize with the surroundings.

The pipe line connecting the standpipe with the distribution system consists of 14-inch and 16-inch pipe, the 14-inch pipe, 1,782 feet long, extending from Newton Street to the old roadway leading to the summit of Doublet Hill, and the 16-inch pipe, 464 feet long, running thence to the standpipe. Branches have been provided at points where future connections for real estate development are likely to be made. This pipe line is laid in a 30-foot right of way, about 2,000 feet of which lies in the roadway constructed by the Weston Real Estate Trust. One hydrant has been provided in this pipe line, and tees have been placed 500 feet apart for such hydrants as may be required in the future.

Arrangements perfected with the Weston Real Estate Trust provided a better location for the standpipe and pipe line connection than those originally selected. The cost of installation has proven to be lower than our estimate, and in the future the pipe line, since it is laid in a roadway, will serve not only its primary purpose of connecting the standpipe with the distribution system, but will be of value as the adjacent land is developed for residential purposes.

7. The pump at the Kendal Green station was designed for a capacity of 500 gallons per minute, but when installed it was not necessary to operate it at a rate greater than 300 gallons per minute, nor were there a sufficient number of wells to supply its full rating. The dry season of 1930, however, indicated the desirability of installing additional wells and of raising the capacity of the pump. This has been accomplished by the equipment of new pulleys and changes in the belt and idler.

8. Twenty driven wells have been added at Kendal Green in land recently acquired by the Town located across Stony Brook from the pumping station. The entire field now consists of fifty wells.

By the driving of test wells a careful investigation has been made for the selection of locations containing a minimum of iron. From the analysis of samples taken from the entire well field the percentage of iron content is well within the allowable amount prescribed by the State authorities.

We are fortunate in possessing this excellent supply which should be of sufficient quantity to meet the requirements of the Town for years to come.

9. A substantial wire fence has been erected 5 feet in height entirely surrounding the well field and the pumping station at Kendal Green.

10. The driven wells at the Warren Avenue pumping station were installed many years ago, and their capacity has therefore been decreased. By cleaning these wells this condition has been somewhat improved. It may later be found necessary to redrive a part or all of these wells, although we believe that they may be of service when required for at least a few years more.

11. The 6-inch main in the Boston Post Road from Wellesley Street to School Street and the 6-inch main in School Street from the Boston Post Road to Maple Street were cleaned and found to be badly obstructed by tuberculation. This has materially decreased the pressure on the pump at Kendal Green and has greatly improved the flow in a large part of the system.

Practically all of the old mains of the system have now been cleaned during the last three years.

12. A number of new gate valves have been installed in addition to those which have been included with the construction of new mains as described above. This will be a benefit in the maintenance of the service.

13. A 6-inch main has been installed in a new road from Lexington Street to the recently constructed building of the Cambridge School. This pipe is privately owned and maintained subject to our inspection and approval.

During the year twenty new services were added and twelve additional hydrants were installed; also several old hydrants of inadequate size were replaced by larger ones.

Owing to the prevailing low cost of constructions, and due to exceedingly keen competitive bidding, we have been fortunate in undertaking the foregoing installations for amounts materially less than was originally anticipated.

Much has been accomplished during the past three years, yet the system still requires additional improvement in pumping facilities, extensions of mains to serve a larger territory, the connecting of several dead ends, thus forming loops in the distributing

mains, and the replacing of many inadequately small mains that still exist. A definite program for such undertaking has been formulated, subject to the future growth of the Town.

Several leaks in the section pipe at the Warren Avenue well field, which permit surface water to enter the system, thus introducing the possibility of contamination, have recently been discussed. Whereas it has been the custom to use this source of supply during the winter months, it appears advisable to continue the operation of the Kendal Green pumping station. Owing to recent heavy rains the water level at the Warren Avenue well field is unusually high, and repairs can now only be made to the section pipe at an excessive cost. We intend that this be undertaken at a later time, when conditions are more advantageous.

As we have previously stated, the reservoir on Paine's Hill should be repaired and waterproofed in order to prevent its rapid deterioration. Now that the standpipe on Doublet Hill has been completed and is in operation the above work may be undertaken without interruption to the service.

With the exception of the obviously necessary repairs required at the Warren Avenue well field, and those which are advisable for the reconditioning of the Reservoir on Paine's Hill, we do not recommend any important or large expenditures during the coming year. Owing to the present conditions we also advocate that the major portion of all unexpended funds acquired from the issue of bonds shall be applied to the reduction of our debt.

In spite of the depression, and notwithstanding that last summer was unusually wet, our gross income continues to materially increase. With due foresight the system may in the future be further improved, and eventually it may not only be self-supporting, but may become a source of considerable revenue to the Town.

EDWARD P. RIPLEY,
ARCHIBALD G. MONKS,
ABEL J. COLPITTS,

Board of Water Commissioners.

REPORT OF THE SUPERINTENDENT OF MOTH WORK.

TO THE BOARD OF SELECTMEN:

Gentlemen, — At this writing I am continuing a careful scout of roadside trees for gypsy moth egg clusters, a work started last month. We have found no increase in egg clusters but some changes in their location; that is, a few will be found where none were found last year, and a smaller number this year where nests were discovered and creosoted last year. No brown-tail winter webs have been found in Weston for several years.

Owing to the continued severe outbreaks of gypsy moths in different parts of the State, I feel Weston should continue the present appropriation of \$300.

Lest it be overlooked, I wish to call attention to the severe defoliation by elm tree beetles of elm trees in several parts of the town last year. All elms affected should be sprayed early this year, this work being under the jurisdiction of the Tree Warden.

Respectfully submitted,

EDWARD P. RIPLEY.

REPORT OF THE TREE WARDEN.

TO THE BOARD OF SELECTMEN:

Gentlemen, — The work of the Tree Department this past year has consisted largely in removing all dead wood and trees throughout the Town and the trimming of the trees in such a manner that there would be no obstruction to travel. In the Kendal Green district the elm beetle appeared in large numbers, and this will necessitate spraying and careful attention this spring in order to save the trees. I would recommend the appropriation of \$1,000 for the year 1932.

Respectfully submitted,

A. M. UPHAM,
Tree Warden.

REPORT OF THE SUPERINTENDENT OF STREETS.

TO THE BOARD OF SELECTMEN:

Gentlemen, — I respectfully submit herewith the annual report of the Highway Department for the year ending December 31, 1931.

There has been expended for the general maintenance and construction of highways, \$32,671.61, of which \$3,236.32 was used for the removal of snow and ice. The Town has been reimbursed in the sum of \$409.25 for private work, material used and use of steam roller. We have stored at the crusher and in various parts of the Town sand, stone, gravel and tarvia for use later, the value of which is approximately \$1,000.

General Maintenance.

Under the heading of "Approximate Amounts Expended on Each Street" is a list of figures purporting to show the amount

spent on each street. It ought to be perfectly obvious to any one, where work is as diversified as that of the Highway Department, that with the exception of materials used no accurate figures as to the expenditures can be obtained. This list entails a tremendous amount of bookkeeping which is unnecessary, and it is also misleading to the public. I will qualify the last statement by a concrete example. To the Board of Selectmen who know what all the expenditures are for, the item of \$1,015 for South Avenue is clear, but for the townspeople it will seem queer that on a newly built highway it would be necessary to spend such a large amount for maintenance. In reality this sum was spent for land damages, fencing and grading incident to the construction of South Avenue. This money was taken from the general maintenance appropriation and must, of course, come under that heading. I recommend that this list be abolished, and that the Selectmen take whatever action is necessary to remove it from future reports. The roads of the Town have been cared for in the usual manner and are in far better condition than ever before. This I believe to be due partly to a greater use of a new type of road binder and to the extremely favorable season which we have enjoyed. Considerably more minor construction work has been done this year than for many years past. This has been made possible by a greater use of bituminous material, therefore a lessened need for patching, and also by the help of the new grader. This machine has been an invaluable aid to us, and is one of the best investments the Town has ever made from the standpoint of machinery.

A start has been made in replacing our wooden street signs with all-metal non-detachable and non-breakable signs, the type recommended last year. Favorable comment has already been received, and I trust that this program will eventually lead to our street signs all being alike.

There are many small projects which ought to be done this year but these will have to wait until some more favorable year in order that the maintenance work may be carried on as usual and the year end without a deficit.

Bituminous Material.

There has been used on the streets this year approximately 97,000 gallons of cut back asphalt and oils.

Sidewalk Work.

There has been expended during the year the sum of \$1,288.45. Resurfacing work has been done on Boston Post Road and minor repairs on other sidewalks. The Town contributed approximately \$700 toward the construction of the concrete sidewalk from Wellesley Street to Stony Brook. This enabled the Town to get a much better sidewalk than we would have been able to get if we had not shown our willingness to co-operate with the State. For this much credit is due to our Engineer, Mr. Raymond Coburn.

Snow and Ice.

There has been expended for the removal of snow, \$3,236.32.

Machinery and Equipment.

There was expended during the year the sum of \$3,926.89 for the purchase of the new grader, a new snowplow, and for the usual repairs and incidentals.

It would be economy for the Town, as soon as it is financially able, to turn in the two old steam rollers and purchase a gasoline roller.

Recommendations.

For the coming year I would make the following recommendations:

General maintenance	\$33,000.00
Sidewalks	1,500.00
Machinery accounts	2,000.00

I wish to express my appreciation to the men of the department for their co-operation in helping me to carry on the work, and may I also congratulate the Board of Selectmen for having pursued in the face of much opposition a financial policy which has kept the Town of Weston out of the difficulties in which so many other towns and cities are finding themselves.

Respectfully submitted,

AUGUSTUS M. UPHAM,
Superintendent of Streets.

REPORT OF THE SCHOOL COMMITTEE.

WESTON, February 9, 1932.

The School Committee respectfully submits the following report for the year ending December 31, 1931.

Prior to the Annual Town Meeting, which was held on March 31, 1931, the resignation of Mrs. Carolyn E. Burrage as a member of the School Committee had been presented and accepted. Mr. Charles O. Richardson was elected at the Town Meeting for a period of two years to fill the vacancy, and Mrs. Alice C. Bailey was elected for a term of three years. The Committee quotes as follows from a letter written Mrs. Burrage at the time, which it makes a part of this report, as it believes that the letter expresses the feeling of the citizens of the Town in connection with her many years of service:

On March 30, 1931, Mrs. Carolyn E. Burrage, for thirty-seven years a member of the School Committee of the Town of Weston, and for thirty years its Chairman, tendered her resignation, which was accepted with much regret.

The Committee is appreciative of the great service that Mrs. Burrage has rendered to the Town during her long tenure of office. That period has seen many changes and much progress in the system of education in effect in the Town, one of the most important being the development of a central school system and the gradual elimination of the district school. During this development her wealth of experience and wise counsel have been of great value in arriving at the many decisions that the Committee has been called upon to make.

The Committee extends its best wishes for her future health and happiness.

Be it resolved that the above be inscribed on the records and a copy sent to Mrs. Burrage.

The Committee organized at its meeting held on April 4, 1931, electing Mr. Raymond W. Coburn, Chairman, and Mr. Charles O. Richardson, Secretary. Eleven regular meetings and one special meeting were held during the year.

At the regular meeting held on April 4, 1931, Mr. Carl T.

Rhoades was appointed Superintendent of Schools and Principal of the High School for the ensuing year.

Mr. Allan Cameron was appointed Custodian of Buildings and Grounds.

Dr. Fresenius Van Nuys was appointed School Physician; Dr. Faith L. Meserve, Assistant Physician; Miss Jessie Haldane, School Nurse; Mr. Harold A. Mosher, Attendance Officer, and it was also arranged that he should continue to take the school census. The census was taken as of October 1, 1931, and was as follows:

SCHOOL CENSUS, OCTOBER 1, 1931.

	AGES 3-5.		AGES 5-7.		AGES 7-14.		AGES 14-16.

Also at the regular meeting held on April 4, 1931, the following teachers were appointed:

Miss Emma F. Ripley.	Miss Mabel R. MacElhinney.
Miss Constance Burrage.	Miss Rebecca McKenna.
Miss Helen B. Green.	Miss Emily F. Adams.
Miss Elizabeth R. Harmon.	Mrs. Virginia A. Morrissey.
Miss Helen Miller.	Mrs. Georgiana Eldred.
Mrs. Helen G. Hill.	Miss Ellen W. Packard.
Miss Hazel M. Staples.	Miss Marjorie B. Day.

In addition to the above, the following special teachers were appointed:

Manual Training — Mr. Philip E. Perry.
 Drawing — Miss Sarah E. Jewett.
 Music — Mr. William H. Taunton.

At later meetings further appointments to and changes in the teaching staff were made, as follows:

On May 2, 1931, the resignation of Mr. Conrad G. Coady as submaster of the High School was accepted, and Mr. Wallace W. Sawyer was appointed to this position. Other appointments were:

Miss Mildred L. Marble, Teacher.

Mrs. Hilda F. Applin, Assistant Teacher.

On June 2, 1931, the resignation of Miss Rebecca McKenna was presented and accepted. Miss McKenna's connection with the Weston schools has extended over a long period of years. The Committee regrets that she did not feel that she could continue, but understands that she is entering a new field of endeavor, in which it wishes her every success.

The resignation of Miss Marjorie B. Day was also accepted, and the following appointments were made:

Miss Dorothy B. Frye, Teacher.

Mrs. Vida C. Strahan, Teacher.

Mr. Donald L. Houghton, Athletic Instructor.

On October 5, 1931, Mrs. Shirley E. Makemson was appointed Assistant Teacher.

The Committee takes this opportunity to express to Mr. Coady and Miss Day its appreciation of the efficient services rendered during their connection with the schools.

For the school year ending June 30, 1931, the average daily attendance was 480. The schools were in session 178 days.

The Committee has continued its policy of applying the income from the fund left to the Town by the late Mr. Horace S. Sears for the benefit of the teachers, against the rental of the "Teachers' Lodge," and extends its thanks to Mr. Harry L. Bailey for continuing to make its use possible for this purpose.

The Weston Chapter of the American Red Cross and the Board of Health have continued to co-operate with the schools in connection with the services rendered by Miss Jessie Haldane as School and District Nurse. The Committee appreciates this co-operation, and feels that much benefit is derived from this arrangement.

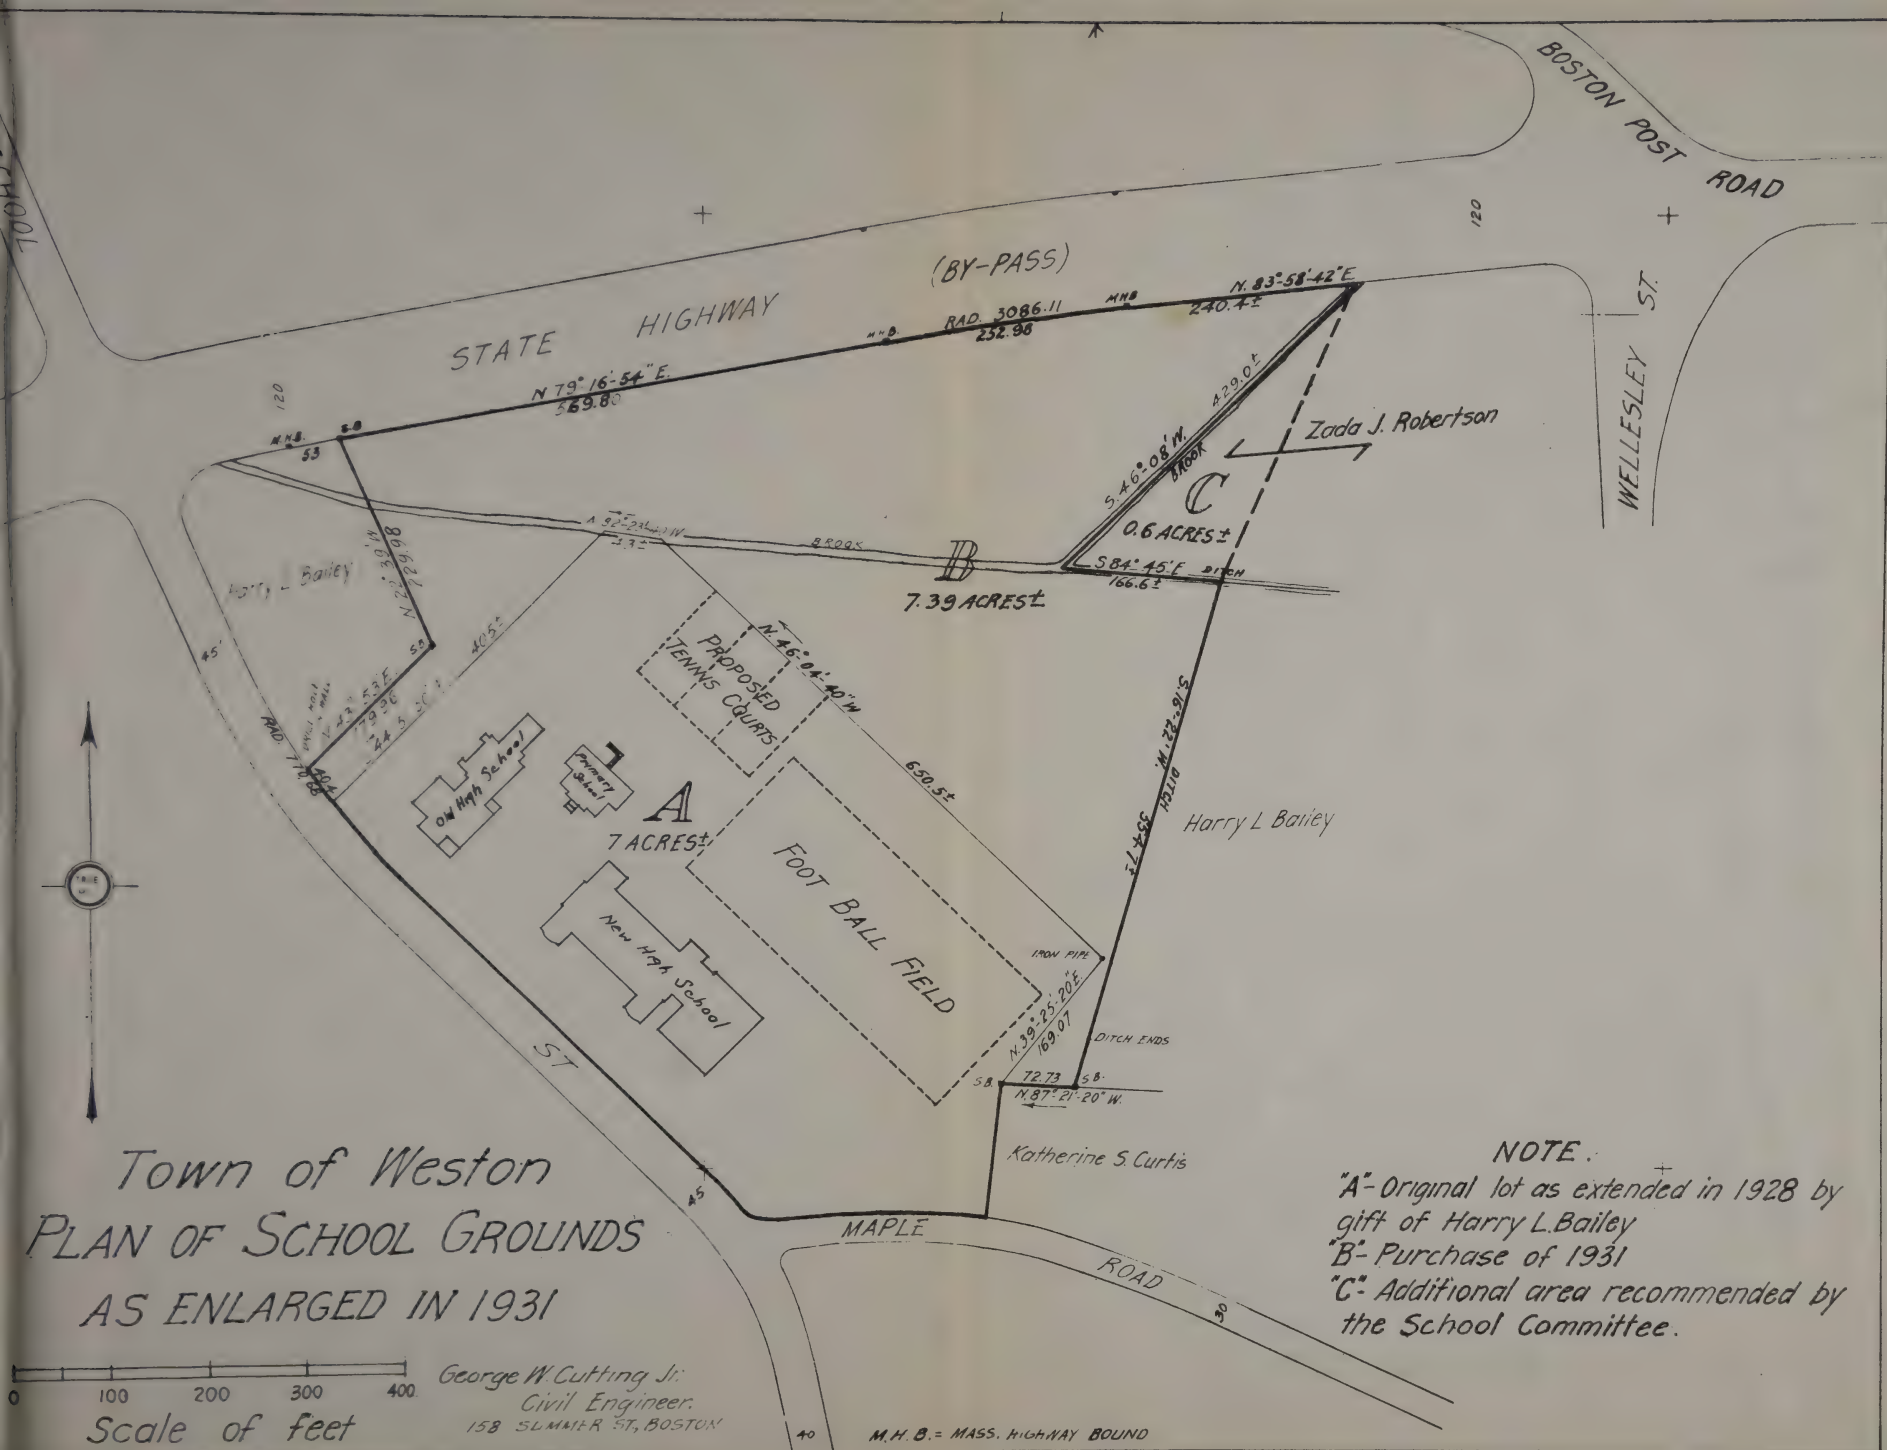

In February, 1931, the School Management took over the charge of the school lunches from the Women's Community League, and has since conducted this department under the direction of Mrs. Carrie B. Weinz, who was appointed to the position on February 2, 1931.

The school lot and playgrounds, during the past year, have been enlarged by more than 100 per cent by the purchase of about seven and one-half acres of meadowland from Mr. Harry L. Bailey. With this new land the school buildings will stand on a lot of approximately fourteen acres, and will extend from School Street through to the new by-pass, having a frontage on the by-pass of more than 1,000 feet.

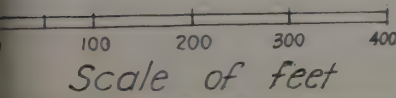

The Committee has in mind the development of a comprehensive plan for the drainage and improvement of this additional land, and it is hoped that the Town will make moderate appropriations over a period of years in order to make this a model playground and recreation field.

No work was done on the tennis courts during the past year, as the grounds were very much upset by the building of the new High School, and it was necessary to truck filling material over the area proposed for the courts. However, part of the money appropriated last year was set aside for the tennis courts and is still available, and we hope to have them built during the summer. The Committee is recommending an appropriation of \$1,500 for the current year, in order to permit them to prepare plans and start on the development of the new area.

The new school building is nearing completion, and it is hoped that it will be occupied immediately after the April vacation.

SUPERINTENDENT'S REPORT.

TO THE CHAIRMAN OF THE SCHOOL COMMITTEE, WESTON, MASS.:

Dear Sir, — I submit herewith my report for the year ending December 31, 1931.

Every important institution at last reaches a period of investigation and readjustment, and American education has been the object of many studies during the past few years. One result of these studies has been the offering of many more courses in high schools, with far greater freedom of choice for the older pupils. In some cases schools have gone too far in this direction. In Weston we have not made the mistake of trying to cover too broad a field of studies. However, as the high school gets larger I believe that we must expand the curriculum sufficiently to allow pupils to graduate without being compelled to study a foreign language or very advanced mathematics.

The American theory that education is for the masses, and that every individual is entitled to as much as he can assimilate, is good democratic doctrine. However, this theory makes it easy to soften the methods of instruction and follow the path of least resistance. So today those who would appear as progressive leaders in education say very little of discipline, thoroughness and system. Instead, a great deal is said about individual freedom. This I believe reflects the spirit of the times. There has been a gradual letting down of parental authority in the home, and perhaps even a weakening and evasion of law in the courts of justice. To compensate for this tendency schools are now introducing courses in character education. Some do this by means of regular textbooks in the hands of the pupils, and taught as any subject, like history or geography. Others claim that pupils unconsciously rebel against such a method, and that the desired results can be obtained only incidentally. We are trying to meet this need in character training by supplying teachers with books of helps and suggestions for inspirational material through biography and other stories. This makes the work incidental for the pupils, but it is not merely incidental with the teachers. In the last analysis, however, character training depends on the home and parental authority more than any other influence. The school pupil spends approximately 13 per cent of his time, for a full year, under school authority and 87 per cent elsewhere.

This past fall we have been operating the grade schools under great difficulty, due to the temporary accommodations. I believe that parents, teachers and pupils have co-operated thoroughly and made the best of a difficult situation. The enrollment this fall shows no increase over that of a year ago. While most grades are larger, the first grade, seventh grade and the North School are much smaller than last year.

The new building will supply the additional classrooms so badly needed and make possible the readjustment of our program for the upper six grades. The gymnasium will permit a real program of physical education, and when sufficient playing field is available, so that girls can play field hockey while boys are playing baseball or football, conditions will be ideal.

Soon we must consider the problem of a longer session for the high school. Most of the better high schools of the present time have class periods of one hour instead of forty minutes. This would mean for us either a longer school day or fewer periods per day with more teachers required. The longer day would mean less home study. Any difference in the school day for the upper and lower grades would affect the transportation problem. Most of our buses are now being loaded beyond normal capacity, and a slightly greater number would mean a second trip on each route. When this point is reached it would perhaps be wiser to have the upper six grades begin a half hour earlier and close a half hour later than the lower six. Then each bus would make two trips, one for the older pupils and one for the younger, and no group would arrive earlier than necessary, as is the case now.

SCHOLARSHIPS AND PRIZES.

The Charles J. Paine scholarship was awarded to Roland B. Rand, Jr., a freshman at Massachusetts Institute of Technology.

The Horace S. Sears scholarship was awarded in four portions to the following boys:

ALFRED BENOTTI, sophomore at Northeastern University.

NORBERT BENOTTI, freshman at Holy Cross College.

FREDERICK MURRAY, freshman at Northeastern University.

JOHN PEAR, junior at Tufts College

The Women's Community League Scholarship was awarded to Marion Theall, who is attending the Pierce Secretarial School.

Prizes from the Horace S. Sears Fund were awarded for essays on "The Historical Background of an Industrial Problem."

MUSIC.

TO SCHOOL COMMITTEE, WESTON, MASS.:

Music is going along nicely in all grades of the school. The primary grades are singing well and enjoy it.

We have established individual singing as well as chorus work in primary and grammar grades.

The fifth and sixth grades have just finished the Cantata "George Washington," on which they have worked the past two months. They do it well.

The High School has a Glee Club it should be proud of. We are studying some of the best works.

The High School also has an orchestra of eighteen pieces, which I rehearse after school hours. This group shows marked improvement over work done last year, when it was, of course, more or less an innovation.

We shall form a junior orchestra soon.

Music appreciation is being worked with in some grades. This work will be extended with the finishing of new building and better facilities.

From the Superintendent and the teaching staff, as well as classes, themselves, I have been able at all times to feel the interest and co-operation so necessary to progress.

W. H. TAUNTON,
Supervisor of Music.

MANUAL TRAINING.

TO THE COMMITTEE:

In spite of the long distance connections of the sixth and eighth grades, caused by building conditions, our classes are running smoothly on regular schedule. Model boat building seems to be much in favor among the older boys, and when this is done according to directions and plan of measurements from an excellent textbook which I secured on the subject, the pupil derives much benefit from the work, as it requires close attention to detail and care in execution.

A most excellent spirit obtains among the members of the High School manual training class, as shown in the alacrity with which they welcome repair or replacement jobs for the school. This is, of course, as it should be, but is not always the case.

The addition of a power band-saw to our equipment fills a long-felt want, and the boys are delighted with its efficiency.

The class in mechanical drawing is doing good, faithful work, the result of close attention and application to the instruction.

The interest shown is gratifying, and I feel sure they will find the knowledge gained will be useful to them many times and in many ways later in life as a practical part of their education.

Respectfully submitted,

PHILIP E. PERRY,
Instructor, Manual Training.

DRAWING.

TO THE SCHOOL COMMITTEE, WESTON, MASS.

It is always a pleasure to report of the work in drawing. The pupils have expressed joy in their work, and the results have been most satisfactory. With the large classes and the limited time, I am gratified with the work accomplished.

At the general exhibition the parents had an opportunity to see the work

assembled by the teachers, and see the quality of the work and gain a knowledge of the course in drawing from grade to grade.

The pupils enjoy the use of color and gain a true appreciation of color in nature and art.

The drawing from flowers and nature and the drawing of trees and bits of landscape have been of help to gain a knowledge of true proportion and ability to see accurately. Time has been given for lessons in memory work, which aids in keener observation.

The geometric work has been of excellent quality. I am always glad to try out new ideas, and with the change of classroom of the eighth grade, worked out the drawing of one of the windows of the Town House.

The lettering and poster design has been of fine technique, as the notebook covers and Health, Fire Prevention and other posters testify.

The drawings for "Auto Week" are always of interest, and the exhibitions held in each room attract attention.

Pupils are always asked to enter all contests for drawing, and I am always glad to give my criticism and pass on all work for the Scout badge for art work.

It is a pleasure to have so many of our pupils go on with their art work in the Museums and the Massachusetts School of Art and other art schools, and to select the art course in college.

Let me take this opportunity to thank the teachers for their loyal co-operation to make the work in drawing a success, and I thank the Committee for all the supplies they have provided.

REPORT OF THE SCHOOL PHYSICIANS.

TO THE CHAIRMAN OF THE SCHOOL COMMITTEE:

The physical examinations of the school children were completed early in the school year. Then followed the Schick tests and the toxin-antitoxin immunizations.

It is planned to have the Chadwick Clinic of the State Department of Health give its help to the problem of detecting incipient tuberculosis where it may exist in the pupils of our schools.

REPORT OF THE SWIMMING POOL COMMITTEE.

FEBRUARY 12, 1932.

TO THE BOARD OF SELECTMEN, WESTON, MASS.

The Town pool was operated by your Committee during the summer months under the direction of Mr. Thomas McGuane. The program carried out was the same as in the past few years, except that the exhibitions were omitted.

Major repairs on the locker building were completed and it is now in good condition.

If the Town wishes to operate the pool the coming year, it is recommended that an appropriation of \$950 be made, which should cover operating expenses for approximately eight weeks. The amount recommended is smaller than any appropriation made for pool operation within the last five years, due to the reduction of time that the pool will be open.

Mr. McGuane's detailed report follows.

MRS. THOMAS D. BASSETT.
CARL T. RHOADES.
WM. R. DEWEY, JR.

SEPTEMBER 12, 1931.

TO THE SWIMMING POOL COMMITTEE, TOWN OF WESTON, MASS.:

After a very promising opening extending over several weeks, during which the Community Swimming Pool was filled to its capacity daily, attendance began to dwindle until toward the latter part of August "stroke classes" were frequently abandoned through lack of participants. There were several reasons for this not unprecedented occurrence: in the first place, the presence in Weston of that rather mysterious disease, infantile paralysis; secondly, the rumor that "trench mouth" was prevalent; and, of course, attendance suffered from the exceptionally inclement weather of this August. Many children also spent vacations away from Weston during August. The Swimming Pool Committee was supported by the best of medical authority in its opinion that infantile paralysis is not contracted from water; this, coupled

with the fact that none of those afflicted with the disease have used the tank this season, justified keeping the Community Pool open. To be sure, several children had been exposed, but they were excluded from the pool for a period of two weeks during which the disease should appear, if contracted. It failed to do so, however, in all cases. The old adage "Give a dog a bad name" is well illustrated in the case of "trench mouth." No traces of the infection could be found among the patrons of the pool or their associates.

Because of the doubts current in the minds of many parents, the exhibitions were abandoned, since a very real risk is encountered through the use of personal bathing suits.

Despite the season's many unfavorable aspects, 1,694 girls used the pool as well as 1,640 boys, and \$3.45 was collected in fees from out-of-town patrons. An innovation in the form of a Wednesday evening session for women was very popularly received, and the number of women who reported for swimming instruction fully justify its continuance. Improvements in and about the pool were particularly well chosen this year, especially in the case of the regulation intercollegiate diving board which was installed. A greatly renewed interest was evinced in diving, especially among the boys, many of whom attained a high degree of proficiency. Diving classes were instituted, and in one exceptional case a non-swimmer progressed through his Red Cross beginner's and swimmer's tests to a mastery of all the standard intercollegiate dives. Taken as a whole, a very satisfactory number of Red Cross tests were completed, especially among the beginners, whose lists swelled well above previous summers. There was a scarcity of girls eligible for the life-saving examinations, but the senior boys completing the tests were well above average. A list of those completing their Red Cross requirements is as follows:

Through the kindness of Mrs. Winifred Martin the girls were able to play water polo which proved very popular with them. I offer this as a suggestion for another season, although I believe the game inadvisable for the boys because of its unavoidable roughness, and because of the great inequalities of strength, much more marked among the boys than among the girls.

The locker building and pool are in excellent condition aside from a few minor repairs, — fencing, painting, etc. Since a strainer was added to the pump it has been quite satisfactory.

In closing, I wish to acknowledge the assistance of Mrs. Winifred Martin and Mr. Edward Bassett, the support of the Swimming Pool Committee and the American Red Cross, through Miss Anna Hall, and finally the hearty co-operation of the patrons of the pool, for all of which I am sincerely grateful.

Respectfully yours,

THOMAS MCGUANE, JR.

REPORT OF THE PARK COMMISSIONERS.

The Park Commissioners submit the following report for the year ending December 31, 1931.

The Board was organized by the election of Benjamin S. Blake as chairman and Austin B. Mason as secretary.

The Town Common, Soldiers Field, and the triangle at the intersection of School and Wellesley streets have been under the care of Mr. William J. Bartlett.

Owing to greater rainfall than usual, cutting the grass was more of a problem than during any year since the Common was laid out.

We recommend an appropriation of \$800 for the year 1932.

AUSTIN B. MASON,
HARRY L. BAILEY,

Board of Park Commissioners.

REPORT OF THE TRUSTEES OF THE PUBLIC LIBRARY.

The Trustees of the Weston Public Library submit their report for the calendar year of 1931, as follows:

The Library has continued to render its customary useful service to the citizens of the Town. A few changes in equipment and in service have been made, each of which, it is felt by the Trustees, constitutes an improvement.

A new system of lighting has been installed in the main reading room. The new lights give a bright and more diffused effect than the old, and render it possible not only to read easily at the reading tables, but also to distinguish easily the titles and other printing on books on shelves or tables elsewhere in the room.

It is planned to make similar changes in the stack room during the ensuing year. This will include, also, a renovation of the wiring system which lies back of the lights, and the whole lighting plant will then be in a permanently safe and satisfactory condition.

In the circulating department of the Library the so-called reserved system, by which patrons may, on entering their names for that purpose, receive notification when the book for which they are waiting will be available for them, has been adopted. This system has been favorably received since its adoption in our Library.

Upon request, the hours during which the Library is open have been increased by adding the period from 11 o'clock A.M. to 1 o'clock P.M. on Tuesday and on Thursday. This is looked on as an experimental matter, and its continuance may depend on the use that is made of it.

During the month of November the Library suffered a loss in the sad and sudden death of Mr. Merrill French, who had so long and faithfully served as janitor. His quiet and dignified presence and his cheerful face will be much missed, but he still will live in the memory of his many friends.

Mr. Sears' bequest has again been drawn on for vacation expenses of the Library staff. This bequest is at least one proof

that sometimes the good men do, as well as the evil men do, lives after them and is not, as the poet says so often happens, "interred with their bones."

The Trustees recommend to the Town the sum of \$6,000 for administrative expenses.

Respectfully submitted,

CHARLES M. EATON,
LOUISA W. CASE,
G. M. PALMER, JR.,

Trustees.

REPORT OF THE CEMETERY COMMISSIONERS.

JANUARY 25, 1932.

TO THE SELECTMEN OF THE TOWN OF WESTON:

Gentlemen: The Cemetery Commissioners submit the following report for the year ending December 31, 1931:

Interments:	
Residents	8
Non-Residents	8
	<hr/>
Total	16
Receipts:	
Care of lots	\$343.50
Interments	187.00
Foundations	213.50
Sale of lots and graves	810.00
Interest on lot fund	336.50
Perpetual care of lots	1,770.00
Interest on perpetual care fund	1,618.98
Sale of plants, wood, etc.	82.36
	<hr/>
Total	\$5,361.84

Owing to the death of Mr. B. R. Parker, Chairman of the Commissioners, on October 28, 1930, followed two days later by that of Mr. Frank H. Upham, who had been Superintendent for many years, Mr. J. Lawson Foote was appointed Acting Superintendent, also Commissioner, to fill out Mr. Parker's term, and at the March, 1931, Town Meeting Mr. Foote was elected Commissioner. Mr. W. A. Martin was appointed Superintendent, and has very efficiently maintained the high standard for which our cemeteries are noted. Under his charge, considerable wild land has been reclaimed for future use, which has not only added to the available lot areas, but has also greatly improved the appearance of the cemetery, and, of importance at this time, afforded winter

employment when most needed. During the year the Department purchased a truck, which has proven very efficient and economical. A snowplow has also been purchased, which will permit all parts of the cemetery to be kept open during the winter.

The Commissioners request an appropriation of \$5,500 for the ensuing year.

Respectfully submitted,

EDWARD B. FIELD.
SAMUEL W. MEAD.
J. LAWSON FOOTE.

REPORT OF THE SUPERVISOR OF HEALTH.

TO THE WESTON BOARD OF HEALTH:

Gentlemen, — I herewith submit my report as Supervisor of Health, acting under your direction, for the year 1931.

Diseases Dangerous to the Public Health.

The year 1931 shows the largest number of reportable diseases that have been listed for the past ten years, with the exception of the year 1928, when an extraordinary number of cases of measles and chicken pox prevailed. This year's high figure is explained largely by the outbreak of mumps in the school population during the early winter, the outbreak having commenced in November, 1930. The other diseases showing an excess above expectancy as indicated by the eleven-year median are measles, chicken pox and animal bites. It will be noted that animal bites have been reportable only since 1928. On the whole, the past year has been one of freedom from those diseases which are of chief concern to the public health.

Diphtheria.

The diphtheria record for the Town was marred by the introduction of a single case in a child who had come from another State to make a short visit, and who was unquestionably infected when he arrived. We can most certainly attribute this splendid showing largely to the diphtheria immunization work carried out in the schools, made possible because of the splendid co-operation between parents and the Board of Health. It is significant that the great majority of the 60 children who were given the toxin-antitoxin immunization this fall were in the first or second grade. This, of course, is due to the fact that practically all children beyond this early age period have now been immunized. An improvement on the present work can only be accomplished by parents having their children privately immunized at a still earlier age, preferably by their first birthday, so that they may have protection from this

dread disease, diphtheria, through the most susceptible and dangerous years.

Schick tests were made on school children who were immunized in the fall of 1930, and with five or six exceptions, certificates were issued to these children.

Other Communicable Diseases.

The continued absence of typhoid fever and septic sore throat are added assurances of the excellent character of the milk and water supply. As the year draws to a close, some complaints have been made regarding the taste of the water, and the laboratory has been co-operating with the Water Board to ascertain the cause of these complaints, and to correct them.

Weston suffered in common with most communities in the State from the epidemic of infantile paralysis, but the two cases reported are no more than might be expected by comparison with towns of similar size.

The Board of Health has invited the State Department of Public Health to introduce the Chadwick Clinics, for the study and prevention of tuberculosis in children, into the schools of Weston. This work is now in its seventh year, and over 100,000 children have been examined in a large number of communities. The purpose of the work is to discover tuberculosis and tuberculosis tendencies in the school child age group by bringing to the community the experts and resources of the State Department, and is carried out in co-operation with the local Board of Health and the school authorities. This program is looked upon as the most important and valuable contribution made to the Tuberculosis Prevention Program that has developed in the past ten years, and it is hoped and expected that when the time comes the parents of children in Weston will lend their co-operation to make the project a success here.

Animal Bites.

The number of animal bites reported in the four years since 1928 have about doubled each year. We believe this is partly the result of education regarding the importance of dog bites in relation to the disease, rabies, and consequent better reporting.

Two rabid dogs were discovered and destroyed during the year.

Fortunately, neither one of these was known to have bitten or otherwise exposed any person to the disease.

Rabies in animals was alarming throughout the State during the spring and summer, and following the urgent request of the State Departments of Public Health and Conservation, the Board of Health recommended to the Selectmen of Weston that they adopt a ninety-day restraining order, with the exception of dogs that had been immunized by a registered veterinary.

Laboratory.

Approximately the same number of laboratory tests have been made during the year as were made last year. Details of these tests are made in the following table:

	Positive.	Negative.	Suspected.	Total.
Diphtheria cultures	—	13	1	14
Sputum — T. B.	1	10	—	11
Gonorrhea	—	4	—	4
Streptococci	6	6	—	12
	—	—	—	—
Total	7	33	1	41

Milk.

The superior quality of milk delivered in Weston, judged from both its chemical composition and sanitary quality, has been maintained during the current year. A comparison of bacteriological analyses shows that thirteen milks, judged by the median count for the twelve-month period, show improvement, against six which are unimproved. Three samples were unsatisfactory as to sediment or visible dirt against only one last year and nine in 1929.

Each dairy and pasteurizing plant located in the Town of Weston has been inspected several times, and for the second year we have scored the dairies according to the official government plan. Five showed improvement, one showed no improvement.

Cream has been examined in routine for butter fat content and bacterial count, and all samples have met with the legal requirements.

Complaints.

Only ten complaints have been made during the year, and each one of these has been investigated and acted upon.

Water Supply.

Reference has already been made to certain findings in the public water supply during the last month of the year. Other samples analyzed have shown the water to be of excellent sanitary quality.

Sewerage.

The problem of sewage disposal in the Town of Weston in a wholly satisfactory manner, without a public sewerage system, is becoming increasingly difficult as the community grows, and especially because of the development of the school system and the location of several large schools or institutions within the Town. The question is further complicated because of the fact that a large portion of Weston is located on the watershed of the Cambridge water supply, and also because the so-called Weston reservoir of the Metropolitan water supply is located in Weston. Conditions in the center of the Town and in other growing areas are a constant menace, and require the constant services of a sewage scavenger, which in itself is objectionable if not dangerous. This whole problem demands study and attention by the Town with a view to ultimately laying out a program for the installation of a public sewerage system. Weston is so located that it would be possible to connect with the Metropolitan system, and since both Cambridge and the Metropolitan district are interested, it might be possible to get them to share in some measure the cost.

Community Nurse.

The work of the community nurse in her relation to the Board of Health work cannot be praised too highly. She has continued the activities inaugurated last year, and especially in relation to the detection of incipient illness in school children, we feel that she has made a contribution toward the reduction of these epidemic diseases.

The Board of Health has included an appropriation for the Dental Clinic, and it is our hope that this desirable work may be put upon a more dignified, businesslike and efficient basis by paying the generous dental physician, who has been giving his services, at least a part of what his services are worth.

Respectfully submitted,

CURTIS M. HILLIARD,
Supervisor of Health.

REPORT OF THE PLUMBING INSPECTOR.

BOARD OF HEALTH, WESTON, MASS.

Gentlemen, — I herewith respectfully submit to you for your approval my report as Plumbing Inspector for the year 1931.

There were 59 permits issued for plumbing work. These included new and old buildings and alteration work. Of these, 30 were for new buildings and 29 were for alterations and old buildings.

The sum of \$104 was received for permits and the money paid to the Town Treasurer.

Respectfully submitted,

ABEL J. COLPITTS.

REPORT OF THE TOWN PLANNING BOARD.

During the past year the Planning Board has considered from time to time general problems which may arise in the future with regard to the proper development of the Town.

The following particular matters may be of interest:

At a Board meeting on the 14th of June, Olmstead Brothers, landscape engineers, showed plans of roads in the proposed development on the land of Mr. Fiske Warren, North Avenue and Lexington Road. The Board discussed the plans and suggested changes which if adopted would make it more likely that the roads ultimately might be accepted by the Town.

As a result of a vote at the same meeting the Board advised the Selectmen that a dangerous condition existed at the corner of South Avenue and Park Road which could be corrected if the wall and hedge on the land at the corner of those highways given to the Town by Mrs. Bancroft C. Davis should be moved back to the county line and made low enough to prevent obstruction of the view.

At their meeting on July 10 the Board voted that section 9 of the zoning by-law be amended by adding a new section 9A:

Every lot laid out in the single or general residence districts after the taking effect of this amendment shall contain not less than twenty thousand (20,000) square feet.

This modification was suggested after consideration of the minimum lot limits in other municipalities and after a study of the lots which were being laid out in the new developments in this Town.

At the same meeting it was voted that the new by-pass from the corner of Wellesley Street and Boston Post Road to the corner of Highland Street and the Boston Post Road should not be zoned as a business district. This action was in response to a request from the Selectmen for an opinion of the Board.

At their meeting of October 22 the Board recorded its oppo-

sition to the plan which was then being urged by certain inhabitants of Wellesley that the new Boston-Worcester motor highway should be routed through Weston.

We recommend that one-half of the usual amount be appropriated for the ensuing year.

TOWN PLANNING BOARD,

FREDERICK H. NASH, *Chairman*.

MRS. STEPHEN S. FITZGERALD, *Secretary*.

REPORT OF THE INSPECTOR OF BUILDINGS

TO THE BOARD OF SELECTMEN:

Gentlemen, — The Inspector of Buildings respectfully submits the following report for the year ending December 31, 1931:

During the year 74 permits were issued, of which 18 were for new dwellings. Fees collected amounted to \$163, which have been paid to the Town Treasurer.

Estimated value of new dwellings	\$334,000.00
All others	113,240.00

FRANKLIN C. MULLOCK,
Inspector of Buildings.

REPORT OF THE INSPECTOR OF WIRES.

TO THE BOARD OF SELECTMEN:

Gentlemen, — The Inspector of Wires respectfully submits the following report for the year ending December 31, 1931:

Number of permits issued	142
Fees collected	\$41.00

All fees collected have been paid to the Town Treasurer.

FRANKLIN C. MULLOCK,
Inspector of Wires.

REPORT OF THE MIDDLESEX COUNTY EXTENSION SERVICE.

The following is a report of the work done by the Middlesex County Extension Service in the Town of Weston during the year 1931:

The work of the Middlesex County Extension Service in the Town of Weston for the year 1931 has been largely one of personal service to those requesting information directly from the Extension Service office.

Thirty farm visits were made, largely in relation to the tuberculosis tests for dairy cattle, marketing of milk, poultry disease control, orchard management, and home grounds improvement. Spray service cards were sent to the fruit growers during the season, telling what materials to use, time of application, and the reasons for spraying.

Farmers also availed themselves of attending county-wide agricultural meetings along the lines in which they were particularly interested. Many also attended the Home Economics Meeting in Lexington during the month of June, and the County Picnic held at the Wayside Inn at Sudbury.

No organized work was carried on with the home makers or with the boys and girls in 4-H club work similar to what has been developed in surrounding towns. Because of the success of this part of our service in all towns surrounding Weston, it is hoped this coming year that units of the home makers may be organized, and agricultural and home-making clubs formed among the boys and girls.

Respectfully submitted,

JAMES B. CRONIN,
Director.

TOWN OF WESTON

RECORDS, 1931

TOWN RECORDS, 1931.

Town Warrant.

COMMONWEALTH OF MASSACHUSETTS.

MIDDLESEX, SS.

To any Constable of the Town of Weston,

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn all of the inhabitants of the said town, qualified by law to vote in elections and town affairs, to meet in the Town Hall, in said town, on Tuesday, the sixth day of January, 1931, at 7.30 o'clock, P.M., to act on the articles of this warrant.

ARTICLE 1. To determine whether the town will vote to accept a gift from Anne H. Davis to the town consisting of a parcel of land with the buildings thereon situated at the corner of South Avenue and Park Road and described in a deed from said Anne H. Davis to the Inhabitants of the Town of Weston dated June 19, 1930, upon the terms and conditions set forth in a letter dated June 19, 1930, from said Anne H. Davis to the Board of Selectmen of the Town and to take any other action relative to said gift and said land and buildings.

ARTICLE 2. To determine whether the town will grant permission to Weston College to establish and maintain a private cemetery on the property of said College as shown on a plan dated April 16, 1930, on file with the Board of Health of the town, such permission having been recommended by the Board of Health after a public hearing, and to take any other action relative to said matter.

ARTICLE 3. To determine whether the town will vote to raise and appropriate the sum of fifteen thousand (15,000) dollars and

to borrow said sum and issue bonds or notes therefor as authorized by Chapter 356 of the Acts of 1930 relative to the abolition of the grade crossing at Stony Brook and to authorize the Selectmen in their absolute discretion to settle all land damage claims in connection with takings of land required for said abolition at a total sum not exceeding five thousand (5,000) dollars and to amend or rescind any or all of the votes adopted by the town under Article 5 of the warrant for the annual town meeting held March 31, 1930, and to take any other action relative to the abolition of said grade crossing.

ARTICLE 4. To determine whether the town will vote to appropriate an additional sum of money not exceeding three thousand (3,000) dollars for highways — South Avenue.

ARTICLE 5. To consider and act upon certain recommendations of the Board of Water Commissioners as submitted to the meeting relative to the enlargement and improvement of the water system of the town, to authorize the transfer of unexpended balances of appropriations for expenses heretofore authorized, to authorize the acquisition of additional land and easements in land by eminent domain or otherwise, to appropriate money for extensions, alterations, improvement and additions to the said water system, including the laying of mains and the construction of standpipes or reservoirs, and to raise and appropriate by borrowing or otherwise such sums as may be necessary to carry out all votes of the town under this article, and to issue such bonds or notes as may be necessary in the premises.

ARTICLE 6. To consider the report of the special committee appointed at the annual town meeting held in March 1930 to investigate the public schools of the town, to determine what action the town will take concerning said schools, either as recommended in said report or otherwise, including the establishment of a committee to carry forward such plan or building program as may be voted by the town, to raise and appropriate by borrowing or otherwise such sums as may be required for the construction of new buildings and the improvement and alterations

of existing buildings, to appropriate funds for the use of said committee, and to vote to issue such bonds or notes as may be necessary in the premises.

And you are to serve this warrant by posting three attested copies thereof according to the vote of the town, namely, at the town house, at the Kendal Green post office, and on the town bulletin board at the junction of South Avenue and Newton Street and Park Road seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant with your doings thereon to the Selectmen at the time and place of said meeting.

Given under our hands this eleventh day of December in the year of our Lord one thousand nine hundred and thirty.

HERBERT E. TYLER,
B. LORING YOUNG,
BRENTON H. DICKSON, JR.,
Selectmen of the Town of Weston.

Pursuant to the within warrant I have notified and warned the inhabitants of the town according to order.

HARLAN C. BERRY,
Constable.

Special Town Meeting, January 6, 1931.

In pursuance of the foregoing warrant, the inhabitants of the town qualified to vote in elections met in the Town Hall on Tuesday, January 6, 1931 and were called to order at 7.30 o'clock P.M. by B. Loring Young, Moderator. The warrant calling said meeting and the return of the officer who served the same upon the inhabitants were read by Brenton H. Dickson, Jr., Town Clerk.

ARTICLE 1. On motion of Mr. B. Loring Young, Mr. Frank W. Knowlton being in the chair, it was

Voted: That the gift of two certain parcels of real estate situated at the corner of Park Road and South Avenue in this Town and containing four acres more or less from Mrs. Anne H. Davis to the Inhabitants of the Town of Weston by deed dated June 19, 1930, be and it hereby is accepted by the Town on the terms and conditions set forth in a letter from Mrs. Davis to the Board of Selectmen dated June 19, 1930, and

Voted: That the action of the Selectmen in accepting said deed and filing the same in the Land Court be and it hereby is approved, ratified and confirmed as the action of the Town, and

Voted: That the Town Clerk be and hereby is directed to spread upon the records of the Town said letter and the indenture of lease and supplemental agreement therein referred to together with this vote as a part of the records of this meeting, and

Further voted: That the Town Clerk be and hereby is directed to send to Mrs. Davis a certified copy of this vote and to express to her the profound thanks of the Town for her generous and welcome gift.

Following is the letter received from Mrs. Davis: —

JUNE 19, 1930.

Board of Selectmen, Weston, Massachusetts.

DEAR SIRS: — I enclose herewith deed dated June 19, 1930, by which I have conveyed to the inhabitants of the Town of Weston a parcel of land at the corner of South Avenue and Park Road as more specifically described in said deed. It is my desire that the Town accept this property and hold the same for such public use or uses as may from time to time be determined by the Town or in default of action by the Town as may be determined by the Selectmen thereof from time to time holding office.

A portion of the parcel of land conveyed to the Town by said deed was leased by me under date of June 13, 1922, under the terms of an indenture between me and Patrick Connolly (now deceased). By the terms of this indenture Patrick Connolly and his heirs, executors, administrators and assigns were given the right to occupy the portion of said parcel of land covered by said indenture on the terms and conditions set forth therein for the term of thirty-five years on condition, however, that the lease shall terminate at the end of thirty-five years or at the death of the last survivor of Patrick Connolly and Mary J. Connolly, his wife, whichever shall first occur. By the terms of a supplemental agreement of the same date, I agreed to extend

said lease for a further term of ten years during the life or lives of Patrick and Mary J. Connolly.

The conveyance of land now made by me to the Town is on condition that the Town faithfully carry out all obligations incurred by me under said indenture and supplemental agreement and on the further condition that should Mary J. Connolly be living at the end of forty-five years from June 13, 1922, that the Town of Weston will make a new lease to her on the same terms and conditions so that she may occupy said property for the full terms of her natural life.

The acceptance of this land by vote of the Town shall impose upon the Town a fiduciary obligation to carry out the conditions set forth in this letter.

The indenture between me and Patrick Connolly dated June 13, 1922, and the supplemental agreement of the same date are enclosed herewith. To make permanent record of the acceptance of this conveyance of land on the terms and conditions herein set forth, this letter, the indenture of lease and supplemental agreement should be recorded on the records of the Town together with the vote of the Town accepting said conveyance.

Yours very truly,

(Signed)

ANNE H. DAVIS.

Copy of Indenture.

THIS INDENTURE made the thirteenth day of June A.D. 1922 between Anne H. Davis, wife of Bancroft C. Davis of Weston in the County of Middlesex and Commonwealth of Massachusetts (hereinafter called the LESSOR) of the one part, and Patrick Connolly of said Weston (hereinafter called the LESSEE) of the other part, WITNESSETH:

That in consideration of the covenants herein reserved and contained on the part of the Lessee and his heirs, executors, administrators and assigns, to be performed and observed, the Lessor doth hereby demise and lease unto the lessee a certain parcel of land situated at the corner of South Avenue and Park Road in said Weston, with the buildings thereon, bounded and described as follows:—

Beginning on South Avenue at the most northerly corner of the said parcel at a stone bound set in or near the existing stone wall thence by South Avenue southeasterly about one hundred seventy seven and seven tenths feet, thence more southeasterly to the end of the wall as it now stands, thence southeasterly in the line of the wall as it now stands, thence by a curve to a stone bound set at the entrance from Park Road on the northerly side of the right of way hereinafter mentioned, thence southwesterly about ninety two and

six tenths (92.6) feet to a stone bound, thence southwesterly eighty one and six tenths feet to a stone bound, thence westerly about one hundred twenty seven and five tenths feet to a stone bound, thence turning at nearly a right angle and running northerly about two hundred thirty three and seven tenths (233.7) feet to the point of beginning. The said parcel contains one acre of land, more or less.

Together with a right of way over a road about ten feet wide along the southern boundary of the aforesaid premises, which said right of way shall be limited to a right to pass over said road during the continuance of this lease between Park Road and all parts of said premises.

TO HAVE AND TO HOLD the premises hereby demised unto the lessee and his executors, administrators and assigns for the term of thirty-five years from the date of these presents.

And the lessee doth hereby for himself, his heirs, executors, administrators and assigns covenant with the lessor and her heirs and assigns that the lessee, his executors, administrators or assigns will keep all and singular the said premises in such repair, order and condition as the same are in at the commencement of said term or may be put in during the continuance thereof, and will pay all taxes and assessments of every name and nature which may be levied on or against said premises and all water rates and charges; will keep said premises insured against fire for the benefit of the lessor in such insurance companies as she may approve in a sum not less than six thousand dollars, and will not assign nor underlet the whole or any part of said premises without first obtaining on each occasion the consent in writing of the lessor, her heirs and assigns; and at the expiration of said term will remove his or their goods and effects and those of all persons claiming under him or them, and will peaceably yield up to the lessor, her heirs or assigns, said premises and all erections and additions made to or upon the same in good repair, order and condition in all respects; and that during said term said premises shall be used for residential and farming purposes by the lessee and the members of his family only, and no additional buildings or structures shall be erected thereon without first obtaining the consent in writing of the lessor, her heirs or assigns; and no act or thing shall be done upon said premises which may make void or voidable any insurance of said premises against fire; and that the lessor and her heirs or assigns

or their agents may during said term at seasonable times enter to view said premises; PROVIDED, ALWAYS, and these presents are upon this condition that this lease shall wholly terminate at the end of thirty-five years from the date of these presents or at the death of the last survivor of said Patrick Connolly and Mary J. Connolly, his wife, whichever of said two events shall first occur, and provided further and these presents are upon this further condition that if the lessee or his executors, administrators or assigns do or shall neglect or fail to perform or observe any of the covenants contained in these presents and on their part to be performed or observed, or if the estate hereby created shall be taken on execution or by other process of law, or if the lessee or his executors, administrators or assigns shall be declared bankrupt or insolvent according to law, or if any assignment shall be made of his or their property for the benefit of creditors, then and in any of said cases (notwithstanding any license of any former breach of covenant or waiver of the benefit hereof or consent in a former instance), the lessor or her heirs or assigns lawfully may immediately or at any time thereafter, and without demand or notice, enter into and upon said premises or any part thereof in the name of the whole and repossess the same as of their former estate and expel the lessee and those claiming through or under him and remove their effects (forcibly, if necessary), without being deemed guilty of any manner of trespass, and upon such entry as aforesaid, this lease shall determine.

IN WITNESS WHEREOF said parties have hereunto set their hands and seals the day and year first above written.

PATRICK CONNOLLY. (LS)

ANNE H. DAVIS. (LS)

WHEREAS on this thirteenth day of June A.D. 1922, I, Anne H. Davis of Weston, Massachusetts, have leased a parcel of land at the corner of South Avenue and Park Road in Weston to Patrick Connolly of Weston for a term of thirty-five years upon condition, however, that the lease shall terminate at the end of said term of thirty-five years or at the death of the last survivor of Patrick Connolly and Mary J. Connolly, his wife, whichever of said two events shall first occur, — NOW, THEREFORE, I promise and agree to and with said Patrick Connolly that if at the termination of said lease at the expiration of the full term of thirty-five years, either

said Patrick Connolly, or said Mary J. Connolly shall be alive and the lessee shall not be any in default with respect to the covenants of said lease, I will renew said lease to and with such survivor for a further term of ten years upon a similar condition with reference to the termination thereof by the death of the last survivor of said Patrick and said Mary within said period of ten years.

IN WITNESS WHEREOF I have hereunto set my hand and seal this thirteenth day of June A.D. 1922.

ANNE H. DAVIS. (LS)

ARTICLE 2. Mr. Frank W. Knowlton moved (the Moderator having returned to the Chair): That the Town hereby grants permission to Weston College to establish and maintain a private cemetery on the property of said College as shown on a plan dated April 16, 1930, said plan having been filed with and approved by the Board of Health of the Town.

Mr. Charles A. Poutas moved to amend Mr. Knowlton's motion by substituting the following: — That the town grant permission to Weston College to establish and maintain a private cemetery for the exclusive use of the faculty of their college and of Boston College on their property. This cemetery to be of approximately the same area as shown on a plan dated April 16, 1930, on file with the Board of Health of the town and to be located not less than 400 feet from any public road and 400 feet from the nearest abutter.

This amendment was adopted by a vote of 217 in the affirmative to 29 in the negative. The vote was then taken on the motion as amended and passed in the affirmative.

ARTICLE 3. On motion of Mr. B. Loring Young, Mr. Frank W. Knowlton being in the Chair, it was *Voted*: That the vote adopted by the Town under Article 5 of the warrant for the Annual Town Meeting held March 31, 1930, by which the sum of \$10,000 was appropriated for the abolition of the Stony Brook grade crossing, said sum to be raised by an issue of bonds or notes, be and the same is rescinded;

Voted: That under authority of and in compliance with Chapter 356 of the Acts of 1930 relative to the abolition of the grade crossing at Stony Brook, the contract entered into by the Selectmen with the Commonwealth of Massachusetts and the County of

Middlesex, be and the same is hereby approved, ratified and confirmed and that the sum of \$15,000 be and hereby is appropriated to pay that part of the cost of the work which is imposed upon the town under the terms of said contract;

Further voted: That under authority of said Act, for the purpose of raising funds to meet said appropriation of \$15,000, the Town Treasurer with the approval of the Selectmen be and he hereby is authorized to prepare, issue and sell bonds or notes of the Town in the principal amount of \$15,000 outside the debt limit, payable in not more than five years from the date thereof, in such annual payments as he may determine, and in separate series or in combination with other bonds so long as the resulting annual maturities on said consolidated issues satisfy legal requirements as to annual maturities of each series in accordance with section 19, Chapter 44 of the General Laws. Said bonds or notes shall state on the face thereof that they are exempt from taxation in Massachusetts and said bonds shall not be obligatory upon the town without the authenticating certificate thereon of a trust company or national bank to be designated by the Selectmen. Said bonds shall be in coupon form but subject to registration as to principal and may be sold from time to time by the Town Treasurer under the direction of the Selectmen at public or private sale with or without notice or advertisement, but at not less than par and accrued interest. Premiums received on said notes or bonds less the cost of preparing, issuing and marketing them shall be applied to the payment of the principal of the first notes or bonds so to mature. All other particulars as to form, issuance and sale of said bonds shall be determined by the Town Treasurer with the approval of the Selectmen. For the purpose of payment of principal and interest of said notes or bonds as they become due there shall be raised by taxation each year a sum sufficient to pay said principal and interest coming due in said year until all of said notes or bonds hereby authorized have been paid.

Further voted: That of said sum of \$15,000 appropriated under this article, \$10,000 shall be paid under direction of the Selectmen toward the abolition of the grade crossing and the construction of the bridge and the sum of \$5,000 shall be expended by the Selectmen in the settlement of damage claims for all takings of land or easements in land in connection with said project, the Selectmen

being hereby given full power and authority to make such settlements in the name and behalf of the Town.

These votes were adopted unanimously.

ARTICLE 4. On motion of Mr. B. Loring Young, Mr. Frank W. Knowlton being in the Chair, it was *Voted*: That the sum of \$3,000 be appropriated for highways and bridges — South Avenue — and that from this item there may be transferred to the appropriation for Water Department the sum of \$929.67 representing expenditures for relaying water pipes made necessary by the change of grade of South Avenue.

ARTICLE 5. The Moderator having returned to the Chair, Mr. Frank W. Knowlton moved: That the recommendations of the Board of Water Commissioners as submitted to this meeting relative to the enlargement and improvement of the water system of the Town be and the same are approved and adopted, and that the sum of \$45,000 be and hereby is appropriated for the acquisition of land and/or easements in land and for the construction of a steel standpipe on Doublet Hill and the installation of additional driven wells near the Kendal Green Pumping Station including necessary pipe connections thereto, and that to raise said amount the Town Treasurer with the approval of the Selectmen is hereby authorized to prepare, issue and sell bonds or notes of the Town payable in accordance with Chapter 44 of the General Laws as amended, in not more than twenty years from the date of said bonds or notes, or for such shorter period as the Treasurer and Selectmen may determine, in separate series or in combination with other bonds or notes duly authorized for purposes outside the debt limit, so long as the resulting annual maturities on said consolidated issues satisfy legal requirements as to annual maturities of each series in accordance with section 19 of chapter 44 of the General Laws. Said bonds or notes shall state on the fact thereof that they are exempt from taxation in Massachusetts and said bonds shall not be obligatory upon the town without the authenticating certificate thereon of a trust company or national bank to be designated by the Selectmen. Said bonds shall be in coupon form but subject to registration as to principal and may be sold from time to time by the Town Treasurer under the direction of the Selectmen at public or private sale with or without notice or advertisement, but at not less than par and accrued interest.

Premiums received on said notes or bonds less the cost of preparing, issuing and marketing them shall be applied to the payment of the principal of the first notes or bonds so to mature. All other particulars as to form, issuance and sale of said bonds shall be determined by the Town Treasurer with the approval of the Selectmen. For the purpose of payment of principal and interest of said bonds as they become due there shall be raised by taxation each year a sum which with the income derived from water rates and charges shall be sufficient to pay said principal and interest coming due in said year until all of said bonds hereby authorized have been paid;

Further moved: That the Board of Water Commissioners and the Board of Selectmen acting jointly be and hereby are authorized to acquire by purchase, gift, eminent domain or otherwise sufficient land or easements in land on or near Doublet Hill for the construction of the proposed standpipe and for a right of way giving access thereto as outlined in the recommendations of the Board of Water Commissioners submitted to this meeting and that of the sum of \$45,000 already appropriated the sum of \$5,000 is specifically allocated for the purchase of such land or easements and/or the payment of any damages occasioned by any takings of land or easements in land by eminent domain and that the Board of Water Commissioners with the approval of the Selectmen be and hereby are authorized to expend all or any part of said sum of \$5,000 in the purchase of land and easements in land and/or the payment of land damages;

Further moved: That the sum of \$30,000 be and the same is hereby appropriated for the purpose of constructing a pipe line not less than six inches in diameter to run from the proposed standpipe on Doublet Hill and to connect with the water main now installed in Newton Street at a point approximately where the Metropolitan Aqueduct crosses under said street, and for laying additional water mains not less than six inches in diameter, — and to raise said amount the Town Treasurer with the approval of the Selectmen is hereby authorized to prepare, issue and sell notes or bonds of the town in said principal amount of \$30,000 payable in not more than fifteen years from the date of said notes or bonds or for such shorter period as the Treasurer and Selectmen may determine, in separate series or in combination with other bonds or notes duly authorized for purposes outside the debt limit, so long as the resulting annual

maturities on said consolidated issues satisfy legal requirements as to annual maturities of each series in accordance with section 19, chapter 44 of the General Laws. Said bonds or notes shall state on the face thereof that they are exempt from taxation in Massachusetts and said bonds shall not be obligatory upon the town without the authenticating certificate thereon of a trust company or national bank to be designated by the Selectmen. Said bonds shall be in coupon form but subject to registration as to principal and may be sold from time to time by the Town Treasurer under the direction of the Selectmen at public or private sale with or without notice or advertisement, but at not less than par and accrued interest. Premiums received on said notes or bonds less the cost of preparing, issuing and marketing them shall be applied to the payment of the principal of the first notes or bonds so to mature. All other particulars as to form, issuance and sale of said bonds shall be determined by the Town Treasurer with the approval of the Selectmen. For the purpose of payment of principal and interest of said notes or bonds as they become due there shall be raised by taxation each year a sum which with the income derived from water rates and charges shall be sufficient to pay said principal and interest coming due in said year until all of said notes or bonds hereby authorized have been paid;

Further moved: That the Board of Water Commissioners and the Board of Selectmen acting jointly be and hereby are authorized to acquire by purchase, gift, eminent domain or otherwise land or adequate easements in land for the laying and maintenance of said proposed pipe line through lands of the Weston Real Estate Trust, Charlotte W. Young, B. Loring Young, Pine Brook Valley Country Club, Commonwealth of Massachusetts and other individuals or corporations, to a point on Newton Street approximately where the Metropolitan Aqueduct crosses under said street as proposed in the recommendations of the Board of Water Commissioners submitted to this meeting and that of the sum of \$30,000 already appropriated the sum of \$1,000 is specifically allocated for the purchase of such land or easements and/or the payment of any damages occasioned by any takings of land or easements in land by eminent domain and that the Board of Water Commissioners with the approval of the Selectmen be and hereby are authorized to expend all or any part of said sum of \$1,000 for the acquisi-

tion of land and easements in land and/or the payment of land damages.

Mr. Roland B. Rand moved: That the sum of \$10,000 be and hereby is appropriated to install pipe twelve inches in diameter to connect the present 12-inch pipe at the corner of Wellesley Street and Boston Post Road through the proposed By-pass to School Street and through School Street to the 8-inch main at the centre of the town with proper provisions for future connections along the rest of the By-pass.

On Mr. Rand's motion the vote was "Yes" 98, "No" 117 and the motion was rejected.

Mr. S. S. FitzGerald moved the previous question, and after debate the motion was adopted and the main question ordered.

The vote on the motion offered by Mr. Knowlton was "Yes" 106, "No" 116, and this motion was rejected.

On motion of Mr. Edward P. Ripley it was *Voted*: That the sum of \$12,000 be and the same is hereby appropriated for the purpose of constructing a 10-inch main in Boston Post Road to replace the present 4-inch main and to connect with the 12-inch main where it enters from the Kendal Green Pumping Station and to extend to the corner of Summer Street a distance of approximately 2,500 feet, and the installation of a 12-inch connection 70 feet in length at the corner of Boston Post Road and Wellesley Street and the installation of 130 feet of 10-inch pipe in School Street, each to be located under the proposed new Post Road and each to be used for future connections, — and to raise said amount the Town Treasurer with the approval of the Selectmen is hereby authorized to prepare, issue and sell notes or bonds of the town in said principal amount of \$12,000 payable in not more than fifteen years from the date of said notes or bonds or for such shorter period as the Treasurer and Selectmen may determine, in separate series or in combination with other bonds or notes duly authorized for purposes outside the debt limit, so long as the resulting annual maturities on said consolidated issues satisfy legal requirements as to annual maturities of each series in accordance with section 19, chapter 44 of the General Laws. Said bonds or notes shall state on the face thereof that they are exempt from taxation in Massachusetts and said bonds shall not be obligatory upon the Town without the authenticating certificate thereon of a trust company

or national bank to be designated by the Selectmen. Said bonds shall be in coupon form but subject to registration as to principal and may be sold from time to time by the Town Treasurer under the direction of the Selectmen at public or private sale with or without notice or advertisement, but at not less than par and accrued interest. Premiums received on said notes or bonds less the cost of preparing, issuing and marketing them shall be applied to the payment of the principal of the first notes or bonds so to mature. All other particulars as to form, issuance and sale of said bonds shall be determined by the Town Treasurer with the approval of the Selectmen. For the purpose of payment of principal and interest of said notes or bonds as they become due there shall be raised by taxation each year a sum which with the income derived from water rates and charges shall be sufficient to pay said principal and interest coming due in said year until all of said notes or bonds hereby authorized have been paid.

The vote on this motion was "Yes" 238, "No" 0.

ARTICLE 6. Mr. Charles O. Richardson moved: That the report of the Special Committee to investigate the Public Schools hereby is accepted and the committee discharged and that the Town in general approves the recommendations in said report.

Mrs. Helen W. Cutting moved: That the whole question of schools and school buildings including the report of the Special Committee be deferred until the Annual Town Meeting in March and that the Committee be instructed to call one or more public hearings between now and the time of the Annual Meeting, notice of which shall be sent to every voter at least one week before said hearing.

This motion was rejected.

By unanimous consent of the meeting Professor L. Leland Dudley was given leave to address the meeting. He spoke in behalf of the submitted report.

It was then voted to accept the motion offered by Mr. Richardson.

Mr. Grant M. Palmer, Jr., offered the following motion:

That a special building committee of five persons be established to put into effect the changes in the plant of the public schools previously approved by the Town at this meeting. Said committee shall be appointed by the Moderator and shall include one

member of the school committee. The building committee is hereby directed to proceed forthwith with the construction of a new high school and gymnasium, of the general nature outlined in the report of the special investigating committee, including original equipment and furnishing thereof; with the alterations to the present high school building therein described; and with the razing of the present grammar building. The building committee shall select a location for the new building upon the present school site. The building committee is empowered to select, retain and compensate an architect or architects to prepare plans for the new building, including plans for the future expansion thereof, and plans for said alterations; and it may select, retain and compensate engineers and other experts to assist it in the performance of its duties hereunder. Approval of such plans shall rest solely in the discretion of the building committee without further action by the Town or any other committee thereof. Upon preparation and approval of such plans, the building committee shall select a contractor or contractors, in any manner which it shall choose, to perform the work of construction, alteration and razing; and said committee is hereby authorized to execute with him or them, in the name and behalf of the Town, a contract or contracts for such work upon terms at the committee's discretion, subject to provisions of law and to the appropriations by the Town hereinafter mentioned. The committee is directed to expedite such work so far as possible. The committee hereby is empowered to expend for the preparation of plans and for such work the sum of \$225,000, which is appropriated for that purpose;

Further moved: That of said appropriation of \$225,000 a sum not exceeding \$15,000, to be raised in the current year's tax levy, shall be expended under the direction of said committee for the improvement and alteration of the present high school building, the razing of the present grammar building and other incidental expenses and the remaining \$210,000 shall be expended under the direction of said committee for the construction of a new high school building including original equipment and furnishing, said sum of \$210,000 to be raised as follows: — \$3,000, which is a sum not less than twenty-five cents on each \$1,000 of the assessed valuation of the town for the year 1930, shall be raised in the current year's tax levy, and the remaining \$207,000 shall be raised

by incurring indebtedness inside the debt limit under authority of chapter 44 of General Laws as amended for which purpose the Treasurer with the approval of the Selectmen is hereby authorized and directed to prepare, issue and sell bonds or notes of the town in said principal amount of \$207,000, payable in not more than twenty years from the date of said notes or bonds or for such shorter period as the Treasurer and Selectmen may determine, which shall be designated on the face thereof "Weston School Loan, Issue of 1931", shall bear interest at a rate not exceeding 5% per annum payable semi-annually, shall be signed by the Town Treasurer and countersigned by at least a majority of the Selectmen, and shall state on the face thereof that they are exempt from taxation in Massachusetts. Said bonds shall not be obligatory upon the town without the authenticating certificate thereon of a trust company or national bank to be designated by the Selectmen, shall be in coupon form but subject to registration as to principal and may be sold from time to time by the Town Treasurer under the direction of the Selectmen at public or private sale with or without notice or advertisement, but at not less than par and accrued interest. Premiums received on said notes or bonds less the cost of preparing, issuing and marketing them shall be applied to the payment of the principal of the first notes or bonds so to mature. All other particulars as to form, issuance and sale of said bonds shall be determined by the Town Treasurer with the approval of the Selectmen. For the purpose of payment of principal and interest on said bonds or notes as they become due, there shall be raised by taxation each year a sum sufficient to pay said principal and interest coming due in said year until all said bonds or notes herein authorized have been paid. Mr. W. R. Dewey, Jr., moved to amend Mr. Palmer's motion by increasing the amount appropriated and the bond issue by \$15,000 for the construction of a swimming pool. This motion was rejected.

Motions to amend the motion offered by Mr. Palmer by providing for a public hearing by the building committee within thirty days of its appointment was accepted by Mr. Palmer.

Mrs. Helen W. Cutting offered the following motion: That the investigating committee be revived and that the whole question of schools and school buildings, including the report of the Special Committee be deferred until the Annual Town Meeting in March

and that the Committee be instructed to call one or more Public Hearings between now and the time of the Annual Meeting, notice of which shall be sent to every voter at least one week before said hearing. The vote on this motion was "Yes" 75, "No" 150 and was rejected.

Vote was then taken on Mr. Palmer's motion, as amended, 179 voted in the affirmative and 25 in the negative and the motion prevailed. The Moderator appointed Grant M. Palmer, Jr., Charles O. Richardson, Herbert E. Tyler, Paul L. Flynn, and Helen M. Kelsey.

Mr. Arthur H. Morse offered the following resolution which was unanimously adopted by a rising vote:

Arthur Leslie Coburn was born in Weston June 18, 1860. His family had lived in the town since 1775 and had served the town in many capacities. Mr. Coburn continued the traditions of his family serving successively as Selectmen and Overseer of the Poor from 1885 to 1890; a member of the School Committee from 1893 to 1898; a member of the General Court, 1895; Park Commissioner from 1893 until his death; a trustee of the Merriam Fund for the Silent Poor from 1915 until his death; a life time of devoted service to the Town and the Commonwealth.

Resolved: That in the death of Arthur Leslie Coburn the town has suffered an irreparable loss and takes this occasion to record its appreciation of his high character and its gratitude for his service and devotion to the town, and

Further resolved: That this resolution be spread upon the records of the town and that the Town Clerk be instructed to send a copy hereof to the members of Mr. Coburn's family.

DEPARTMENT OF PUBLIC WORKS.

LAYOUT 2746.

Whereas, the Massachusetts Highway Commission, acting on behalf of the Commonwealth of Massachusetts, did, under date of March 17, 1898, and the Department of Public Works, acting on behalf of said Commonwealth, did, under date of September 30, 1930, lay out and take charge of as a State highway a road in the Town of Weston, county of Middlesex, leading from Waltham to Wayland, and being known as Central Avenue, as shown on the plans of said State highway on file in the office of the Department of Public Works, copies of which plans have been filed in the office of the County Commissioners of said County of Middlesex, at Cambridge, and in the office of the Town Clerk of said Town of Weston; and

Whereas, it now appears advisable to make certain changes in the location lines of said State highway;

Now, Therefore, acting under the provisions of Chapter eighty-one of the General Laws, and acts in amendment thereof and in addition thereto, the Department of Public Works adjudges that public necessity and convenience require that the Commonwealth should alter the location of said State highway, and should lay out and take charge of said State highway as altered, as hereinafter described.

The alteration consists of widening on both sides of the State highway, beginning at a point near Sibley Road, and extending in a westerly direction for about one mile to Wellesley Street, so called. The section of State highway hereby altered and laid out is more fully described as follows: - -

The base line of location of the section of State highway hereby altered and laid out begins at a point on the base line of location of the aforesaid 1930 State highway layout on Central Avenue, being shown on plan as station 7+06.00, and extends thence, following said 1930 base line, south-westerly by a curve to the right of 1312.95 feet radius for a distance of 147.40 feet; thence south $68^{\circ} 59' 55''$ west, in part by said 1930 base line, for a total distance of 463.10 feet; thence by a curve to the right of 758.85 feet radius for a distance of 403.33 feet; thence north $80^{\circ} 32' 55''$

west for a distance of 562.25 feet; thence north $85^{\circ} 57' 15''$ west for a distance of 389.29 feet; thence by a curve to the right of 499.61 feet radius for a distance of 106.83 feet; thence north $73^{\circ} 42' 10''$ west for a distance of 255.63 feet; thence by a curve to the left of 1027.87 feet radius for a distance of 205.33 feet; thence north $85^{\circ} 08' 55''$ west for a distance of 182.36 feet; thence by a curve to the right of 1294.96 feet radius for a distance of 292.69 feet; thence north $72^{\circ} 11' 55''$ west for a distance of 604.77 feet; thence north $76^{\circ} 29' 45''$ west for a distance of 736.20 feet; thence by a curve to the left of 414.48 feet radius for a distance of 229.66 feet; thence by a curve to the right of 452.20 feet radius for a distance of 201.88 feet; thence north $82^{\circ} 39' 50''$ west for a distance of 338.33 feet to a point at the end of the alteration, about 10 feet distant westerly of the westerly side of Wellesley Street, shown on plan as station 58+25.05.

The southerly line of location of the section of State highway hereby altered and laid out begins at a point on the southerly location line of the aforesaid 1930 State highway layout, said point bearing south $27^{\circ} 26' 01''$ east and being 30.00 feet distant from the point of beginning of the above-described base line shown on plan as station 7+06.00, and extends thence, leaving said 1930 location line, south $65^{\circ} 35' 18''$ west for a distance of 243.04 feet to a point bearing south $21^{\circ} 00' 05''$ east and 36.00 feet distant from a point on said base line shown on plan as station 9+45.56; thence by a curve to the right of 2821.95 feet radius for a distance of 167.96 feet to a point bearing south $21^{\circ} 00' 05''$ east and 41.00 feet distant from a point on said base line shown on plan as station 11+13.42; thence south $68^{\circ} 59' 55''$ west for a distance of 87.09 feet to a point bearing south $21^{\circ} 00' 05''$ east and 41.00 feet distant from a point on said base line shown on plan as station 12-00.51; thence by a curve to the right of 1226.00 feet radius for a distance of 651.62 feet to a point bearing south $9^{\circ} 27' 05''$ west and 41.00 feet distant from a point on said base line shown on plan as station 18-35.82; thence parallel to the above-described base line and 41.00 feet distant therefrom to a point bearing south $4^{\circ} 02' 45''$ west and 41.00 feet distant from a point on said base line shown on plan as station 25+81.58; thence by a curve to the right of 1026.00 feet radius for a distance of 219.39 feet to a point bearing south $41^{\circ} 06' 10''$ west and 36.35 feet distant from a point on said base line shown on plan

as station 27+78.20; thence parallel to the above-described base line and 33.00 feet distant therefrom to a point bearing south $16^{\circ} 17' 50''$ west and 33.00 feet distant from a point on said base line shown on plan as station 28-73.78; thence by a curve to the left of 2591.91 feet radius for a distance of 517.78 feet to a point bearing south $29^{\circ} 12' 31''$ east and 39.83 feet distant from a point on said base line shown on plan as station 34+21.52; thence by a curve to the right of 1536.01 feet radius for a distance of 333.44 feet to a point bearing south $36^{\circ} 12' 29''$ west and 35.02 feet distant from a point on said base line shown on plan as station 37-14.21; thence north $72^{\circ} 42' 51''$ west for a distance of 631.10 feet to a point bearing south $61^{\circ} 38' 30''$ west and 53.94 feet distant from a point on said base line shown on plan as station 43+18.98; thence parallel to the above-described base line and 36.00 feet distant therefrom to a point bearing south $18^{\circ} 08' 59''$ east and 42.29 feet distant from a point on said base line shown on plan as station 49-91.63; thence by a curve to the left of 821.65 feet radius for a distance of 350.90 feet to a point bearing south $50^{\circ} 52' 56''$ west and 60.13 feet distant from a point on said base line shown on plan as station 52+84.84; thence by a curve to the right of 628.71 feet radius for a distance of 202.94 feet to a point bearing south $63^{\circ} 09' 10''$ west and 55.29 feet distant from a point on said base line shown on plan as station 54+86.72; thence north $82^{\circ} 28' 14''$ west for a distance of 140.88 feet to a point bearing south $3^{\circ} 07' 11''$ east and 31.10 feet distant from a point on said base line shown on plan as station 56+78.98; thence by a curve to the left of 117.69 feet radius for a distance of 89.61 feet to a point on the easterly location line of the 1914 county layout on Wellesley Street, bearing south $7^{\circ} 20' 10''$ west and 62.81 feet distant from a point on said base line shown on plan as station 57-54.64; thence crossing said Wellesley Street north $36^{\circ} 43' 10''$ west for a distance of 142.91 feet to a point at the end of the alteration, on the southerly location line of the aforesaid 1898 State highway layout, bearing north $28^{\circ} 38' 28''$ west and 49.29 feet distant from the point of ending of the above described line shown on plan as station 58+25.05.

The northerly line of location of the section of State highway hereby altered and laid out begins at a point on the northerly location line of the aforesaid 1898 State highway layout, said point marking the westerly end of the northerly location line of

the aforesaid 1930 State highway layout, bearing north $21^{\circ} 00' 05''$ west and 25.00 feet distant from a point on said base line shown on plan as station 11+13.42, and extends thence, following said 1898 location line, south $68^{\circ} 59' 55''$ west for a distance of 87.09 feet to a point bearing north $21^{\circ} 00' 05''$ west and 25.00 feet distant from a point on said base line shown on plan as station 12-00.51; thence leaving said 1898 location line and extending by a curve to the right of 1160.00 feet radius for a distance of 616.54 feet to a point again on said 1898 location line bearing north $9^{\circ} 27' 05''$ east and 25.00 feet distant from a point on said base line shown on plan as station 18+35.82; thence following said 1898 location line parallel to the above-described base line and 25.00 feet distant therefrom to a point bearing north $4^{\circ} 02' 45''$ east and 25.00 feet distant from a point on said base line shown on plan as station 25+81.58; thence leaving said 1898 location line and extending by a curve to the right of 960.00 feet radius for a distance of 205.27 feet to a point bearing north $8^{\circ} 30' 30''$ west and 36.35 feet distant from a point on said base line shown in plan as station 27+78.20; thence parallel to the above-described base line and 33.00 feet distant therefrom to a point bearing north $16^{\circ} 17' 50''$ east and 33.00 feet distant from a point on said base line shown on plan as station 28+73.78; thence by a curve to the left of 2657.91 feet radius for a distance of 530.96 feet to a point bearing north $38^{\circ} 54' 41''$ east and 39.83 feet distant from a point on said base line shown on plan as station 34+21.52; thence by a curve to the right of 1470.01 feet radius for a distance of 319.02 feet to a point bearing north $1^{\circ} 46' 23''$ west and 34.78 feet distant from a point on said base line shown on plan as station 37+14.21; thence north $72^{\circ} 42' 51''$ west for a distance of 633.28 feet to a point bearing north $38^{\circ} 12' 10''$ west and 48.41 feet distant from a point on said base line shown on plan as station 45+18.98; thence parallel to the above-described base line and 30.00 feet distant therefrom to a point bearing north $18^{\circ} 08' 59''$ west and 35.24 feet distant from a point on said base line shown on plan as station 49+91.63; thence by a curve to the left of 700.00 feet radius for a distance of 286.03 feet to a point bearing north $10^{\circ} 03' 42''$ west and 37.51 feet distant from a point on said base line shown on plan as station 52+84.84; thence by a curve to the right of 100.00 feet radius for a distance of 304.34 feet to a point bearing north $7^{\circ} 20' 10''$ east and 35.17 feet distant from a point

on said base line shown on plan as station 56+02.52; thence north 82° 28' 14" west for a distance of 83.01 feet to a point at the end of the alteration again on the aforesaid northerly location line of the 1898 State highway layout, bearing north 3° 07' 11" west and 36.06 feet distant from a point on said base line shown on plan as station 56+78.98.

The southerly and northerly lines of location of the section of State highway hereby altered and laid out are further defined by bounds set at all angle points and points of curvature, and at the beginning and end of the alteration, as shown on plan drawn by A. W. Dean, Chief Engineer, entitled: "The Commonwealth of Massachusetts Plan of Road in the Town of Weston Middlesex County Altered and Laid Out as a State Highway by the Department of Public Works January 13, 1931. Scale 40 feet to the inch", and on file in the office of the Department of Public Works.

It is therefore

Voted, That said way as altered, as described herein and as described and shown on said plan, be and the same is hereby laid out and taken charge of by the Commonwealth; that the secretary of the Department of Public Works be and hereby is instructed to file in the office of the county commissioners of the county and in the office of the clerk of the city or town in which said way is located, certified copies of said plan and of a certificate signed by at least a majority of the members of the Department of Public Works, attesting that the said Department of Public Works has laid out and taken charge of said way as altered, in accordance with said plan, together with a copy of this adjudication and vote.

TO THE TOWN CLERK, WESTON, MASS.

Dear Sir: — A certified copy of a petition (No. 1218), addressed to the Department of Public Works, requesting said Department to acquire or take charge of as a State highway a new or existing way in Weston, is sent to you herewith; and a certified copy of a plan and location bearing thereon a certificate dated January 13, 1931, purporting to be signed by the Commissioners of the Department of Public Works, or a majority thereof, attesting that the said Department of Public Works has laid out and taken charge of as a State highway a new or existing way in Weston as shown on said plan, is sent under separate cover for filing in your office according to the law.

An attested copy of the adjudication and vote of the Commissioners relative to the laying out and taking charge of said new or existing way as a State highway is enclosed for filing in your office.

Kindly sign and return to this office as soon as possible the enclosed form of receipt.

Yours truly,

MARY A. RILEY,
Secretary.

THE COMMONWEALTH OF MASSACHUSETTS.

TO THE DEPARTMENT OF PUBLIC WORKS.

Respectfully represent your petitioners that they are the Selectmen of the town of Weston in the county of Middlesex; that your petitioners adjudge that the public necessity and convenience require that the Commonwealth should lay out and take charge of as a State highway a road leading from a point on Bos-

ton Post Road near Highland Street in said town, over a new location to a point on said Boston Post Road near Wellesley Street, in the town of Weston, in the county of Middlesex, and which is described as follows: The road hereby petitioned for is over a new location southerly of the existing location of Boston Post Road.

That the location of said road is further shown by the accompanying sketch. (Plan on file with original letter.)

Your petitioners therefore pray that said described road may be laid out and taken charge of as a State highway.

Dated at Weston this 26th day of November, 1930.

LAYOUT No. 2747.

Whereas, the Selectmen of the town of Weston have adjudged that public necessity and convenience require that the Commonwealth should acquire as a highway a new or an existing way commencing at a point on the Boston Post Road near Highland Street, in the town of Weston, county of Middlesex, and extending in an easterly direction, over a new location, to a point on the Boston Post Road near Wellesley Street, and have applied by petition in writing (No. 1218) to the Department of Public Works, requesting that said new or existing way be taken charge of by the Commonwealth;

UPON CONSIDERATION OF SAID PETITION the Department of Public Works adjudges that public necessity and convenience

require that the Commonwealth should lay out and take charge of, as a State highway, about one and one-fourth miles of said road petitioned for in the town of Weston, beginning at the junction of Wellesley Street and Central Avenue, and extending in a westerly direction, by a cutoff or new location, to a point on said Central Avenue about 500 feet distant westerly from the junction of said Central Avenue with Highland Street. The layout also includes a portion of the location of the 1914 county layout on Wellesley Street. The total length of the layout extends from station 58+17 to station 126+27, a distance of about 6810 feet. The section of State highway hereby laid out is more fully described as follows:—

The base line of location of the section of State highway hereby laid out begins at a point in the present roadway of Central Avenue at its junction with Wellesley Street, being shown on plan as station 57+54.64, and extends thence north $82^{\circ} 39' 50''$ west for a distance of 472.02 feet; thence by a curve to the left of 3161.11 feet radius for a distance of 506.35 feet; thence south $88^{\circ} 09' 30''$ west for a distance of 594.37 feet; thence by a curve to the left of 2000.00 feet radius for a distance of 537.76 feet; thence south $72^{\circ} 45' 10''$ west for a distance of 680.93 feet; thence by a curve to the right of 2600.00 feet radius for a distance of 822.74 feet; thence north $89^{\circ} 07' 00''$ west for a distance of 1690.93 feet; thence by a curve to the right of 2000.00 feet radius for a distance of 1153.66 feet; thence north $56^{\circ} 04' 00''$ west for a distance of 121.90 feet; thence by a curve to the left of 1700.00 feet radius for a distance of 557.32 feet to a point at the end of the layout in the present roadway of Central Avenue about 450 feet distant westerly of the westerly side of Highland Street, so called, said point being shown on plan as station 128+92.62.

The southerly line of location of the section of State highway hereby laid out begins at a point on the easterly location line of the 1914 county layout on Wellesley Street, bearing south $7^{\circ} 20' 10''$ west and 62.81 feet distant from the point of beginning of the above-described base line shown on plan as station 57+54.64, and extends thence, following said county location line, south-westerly by a curve to the left of 133.87 feet radius for a distance of 33.97 feet to a point bearing south $21^{\circ} 28' 09''$ east and 101.60 feet distant from a point on said base line shown on

plan as station 58+25.05; thence south $39^{\circ} 21' 55''$ west for a distance of 47.09 feet to a point bearing south $3^{\circ} 11' 54''$ east and 131.16 feet distant from said station 58+25.05; thence by a curve to the left of 375.26 feet radius for a distance of 214.01 feet to a point bearing south $13^{\circ} 01' 46''$ west and 333.85 feet distant from said station 58+25.05; thence crossing said Wellesley Street north $83^{\circ} 18' 35''$ west for a distance of 50.00 feet to a point on the westerly location line of the aforesaid 1914 county layout bearing south $9^{\circ} 54' 40''$ east and 348.43 feet distant from a point on said base line shown on plan as station 60+11.47; thence leaving said location line and extending north $6^{\circ} 41' 25''$ east for a distance of 233.23 feet to a point bearing south $37^{\circ} 59' 13''$ east and 141.59 feet distant from said station 60+11.47; thence by a curve to the left of 40.00 feet radius for a distance of 62.38 feet to a point bearing south $37^{\circ} 59' 13''$ east and 85.34 feet distant from said station 60+11.47; thence parallel to the above-described base line and 60.00 feet distant therefrom to a point bearing south $20^{\circ} 56' 38''$ west and 65.26 feet distant from a point on said base line shown on plan as station 73+27.38; thence by a curve to the left of 50.00 feet radius for a distance of 87.54 feet to a point on the easterly side of School Street, so called, bearing south $32^{\circ} 36' 13''$ east and 133.49 feet distant from a point on said base line shown on plan as station 74+69.47; thence crossing said street north $78^{\circ} 16' 57''$ west for a distance of 49.50 feet to a point on the westerly side thereof, bearing south $12^{\circ} 54' 10''$ east and 105.05 feet distant from said station 74+69.47; thence leaving said westerly side of School Street and extending northerly, north-westerly to westerly by a curve of 50.00 feet radius for a distance of 73.41 feet to a point bearing south $26^{\circ} 09' 10''$ west and 71.23 feet distant from the aforesaid station 74+69.47; thence parallel to the above-described base line and 60.00 feet distant therefrom to a point bearing south $48^{\circ} 46' 01''$ east and 92.67 feet distant from a point on said base line shown on plan as station 101+33.09; thence by a curve to the left of 30.00 feet radius for a distance of 49.02 feet to a point on the easterly side of Linwood Avenue, so called, bearing south $22^{\circ} 59' 54''$ east and 100.50 feet distant from said station 101+33.09; thence crossing said avenue north $75^{\circ} 12' 35''$ west for a distance of 43.05 feet to a point on the westerly side thereof bearing south

$1^{\circ} 39' 40''$ west and 81.55 feet distant from said station $101+33.09$; thence leaving said side of Linwood Avenue and extending northerly, north-westerly to westerly by a curve of 27.76 feet radius for a distance of 37.34 feet to a point bearing south $26^{\circ} 01' 38''$ west and 66.28 feet distant from said station $101+33.09$; thence parallel to the above-described base line and 60.00 feet distant therefrom to a point bearing south $0^{\circ} 53' 00''$ west and 60.00 feet distant from a point on said base line shown on plan as station $110+59.74$; thence by a curve to the right of 2035.58 feet radius for a distance of 124.92 feet to a point bearing south $40^{\circ} 37' 59''$ east and 86.09 feet distant from a point on said base line shown on plan as station $112+41.90$; thence by a curve to the left of 30.00 feet radius for a distance of 48.46 feet to a point on the easterly side of Golden Ball Road, so called, bearing south $14^{\circ} 08' 26''$ east and 97.22 feet distant from said station $112+41.90$; thence crossing said road north $77^{\circ} 53' 34''$ west for a distance of 40.69 feet to a point on the westerly side thereof, bearing south $10^{\circ} 35' 40''$ west and 87.23 feet distant from said station $112+41.90$; thence leaving said side of Golden Ball Road and extending northerly, north-westerly to westerly by a curve of 30.00 feet radius for a distance of 43.98 feet to a point bearing south $37^{\circ} 21' 59''$ west and 69.65 feet distant from the aforesaid station $112+41.90$; thence by a curve to the right of 2035.58 feet radius for a distance of 769.04 feet to a point bearing south $28^{\circ} 49' 41''$ west and 57.19 feet distant from a point on said base line shown on plan as station $120+23.75$; thence north $61^{\circ} 10' 19''$ west for a distance of 143.24 feet to a point bearing south $6^{\circ} 31' 37''$ east and 79.80 feet distant from a point on said base line shown on plan as station $122+13.40$; thence north $56^{\circ} 04' 00''$ west for a distance of 141.60 feet to a point bearing south $6^{\circ} 04' 51''$ west and 68.68 feet distant from a point on said base line shown on plan as station $123+35.30$; thence by a curve to the left of 20.00 feet radius for a distance of 41.92 feet to a point on the easterly side of Highland Street, so called, bearing south $24^{\circ} 40' 57''$ west and 91.94 feet distant from said station $123+35.30$; thence crossing said street north $86^{\circ} 09' 15''$ west for a distance of 50.00 feet to a point on the westerly side thereof bearing south $47^{\circ} 45' 02''$ west and 119.26 feet distant from the aforesaid station $123+35.30$; thence following said westerly side of Highland Street north 3°

50' 45'' east for a distance of 49.86 feet to a point bearing south 70° 17' 02'' west and 90.23 feet distant from the aforesaid station 123+35.30; thence leaving said side of street and extending by a curve to the left of 50.00 feet radius for a distance of 54.69 feet to a point on the line established by the Town of Weston on the southerly side of Central Avenue in 1930, bearing south 30° 29' 57'' west and 44.82 feet distant from a point on said base line shown on plan as station 124+37.19; thence following said established line by a curve to the left of 1160.00 feet radius for a distance of 318.77 feet to a point bearing south 19° 27' 22'' west and 54.14 feet distant from a point on said base line shown on plan as station 127+64.85; thence by another curve to the left of 2600.00 feet radius for a distance of 114.47 feet to a point bearing south 6° 35' 00'' west and 61.43 feet distant from the point of ending of the above-described base line shown on plan as station 128+92.62; thence north 6° 35' 00'' east for a distance of 37.98 feet to a point at the end of the layout, on the southerly location line of the State highway as laid out under date of June 30, 1899, bearing south 6° 35' 00'' west and 23.45 feet distant from the aforesaid station 128+92.62.

The northerly line of location of the section of State highway hereby laid out begins at a point on the southerly location line of the State highway as laid out under date of March 17, 1898, bearing north 15° 54' 07'' east and 168.21 feet distant from a point on said base line shown on plan as station 60+11.47, and extends thence, leaving said location line, south-easterly and southerly to south-westerly by a curve of 55.30 feet radius for a distance of 99.58 feet to a point bearing north 27° 26' 47'' east and 84.96 feet distant from said station 60+11.47; thence by a curve to the right of 80.00 feet radius for a distance of 57.48 feet to a point bearing north 14° 00' 40'' west and 64.42 feet distant from said station 60+11.47; thence parallel to the above-described base line and 60.00 feet distant therefrom to a point bearing north 50° 00' 29'' west and 88.38 feet distant from a point on said base line shown on plan as station 73+27.38; thence by a curve to the right of 50.00 feet radius for a distance of 70.49 feet to a point on the easterly side of School Street, so called, bearing north 11° 51' 36'' east and 107.43 feet distant from a point on said base line shown on plan as station 74+69.47; thence crossing

Dear Sir: At a special meeting of the Board of Selectmen held on February 28, 1931, Roland Bumpus was appointed a Police Officer to serve, without pay, until the next annual Town Meeting. (Sworn February 28, 1931 by Town Clerk.)

Notice was received from the Trustees of the Merriam Fund for the Silent Poor that a vacancy existed on said board by reason of the death of Arthur L. Coburn. The Selectmen therefore met with Mrs. Anna C. Hastings and Charles A. Freeman of the Trustees for the purpose of electing a member to said board as provided in section 11 of chapter 41 of the General Laws, Mrs. Hastings, Mr. Freeman and the Selectmen having received one week's notice of this meeting. Therefore a ballot was had and it appearing that Helen W. Cutting received four votes, she was declared a duly elected member of the Trustees of the Merriam Fund for the Silent Poor to hold office until the next annual town meeting.

Town Warrant.

COMMONWEALTH OF MASSACHUSETTS,
MIDDLESEX, SS.

To any Constable of the Town of Weston,

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn all of the inhabitants of the said town, qualified by law to vote in elections and town affairs, to meet in the Town Hall, in said town, on Monday the 30th day of March, 1931, at 12 o'clock noon to act on Article 1 of this warrant; and to meet in said Town Hall on the same date at 7.30 o'clock, P.M. then and there to act upon the remaining articles of this warrant.

The polls for the election of town officers will be opened at 12 o'clock noon and may be closed at 7.45 o'clock, P.M.

ARTICLE 1. To bring in their votes for the following town officers, each to be designated and all to be voted for on one ballot, namely: —

A moderator for a term of one year,
One selectman for a term of three years,
One member of the board of public welfare for a term of three years,
One assessor for a term of three years,
One member of the school committee for a term of three years,
One member of the school committee for a term of two years to fill vacancy,
A treasurer and collector for a term of one year,
An auditor for a term of one year,
One library trustee for a term of three years,
A library treasurer,
One trustee of the Merriam Fund for the Silent Poor for a term of three years,
One park commissioner for a term of three years,
One cemetery commissioner for a term of three years,
One cemetery commissioner for a term of two years to fill vacancy,

One member of the board of health for a term of three years,
Three measurers of lumber,
One member of the board of commissioners of trust funds for a
term of three years,
One member of the board of water commissioners for a term
of three years,
Five members of the planning board,
A tree warden.

ARTICLE 2. To hear and act upon reports of town officers and committees.

ARTICLE 3. To determine whether the town will appropriate the sum of \$50, or some other amount, and elect a director for demonstration work in agriculture and home economics, the money to be expended by, and the director to serve in co-operation with the Trustees for County Aid to Agriculture, under the provisions of Chapter 128 of the General Laws.

ARTICLE 4. To determine whether the town will authorize the acquisition by purchase, eminent domain or otherwise for the purposes of the public schools of the fee or other interests in land of Harry L. Bailey adjacent to the present site of the school plant and to appropriate for such purpose a sum of money not exceeding four thousand dollars.

ARTICLE 5. To determine whether the town will vote to establish a committee to have custody and care of articles and documents of historic nature which have been or may be acquired by the town.

ARTICLE 6. To determine whether the town will vote to appropriate money for the purchase of additional fire apparatus or act anything relative thereto.

ARTICLE 7. To determine whether the town will grant permission to Weston College to establish and maintain a private cemetery on the property of the College as shown on the plan

dated April 16, 1930, on file with the Board of Health of the town, such permission having been recommended by the Board of Health after a public hearing and to take any other action relative to said matter.

ARTICLE 8. To determine whether the town will vote to amend Article VIII of the By-laws of the Town by inserting in Section 2, B-2, after the word "church" the words "private school" so that Section 2, B-2, will read as follows:

" . . . church, private school, public school or other public use. . . ."

ARTICLE 9. To determine whether the town will vote to authorize the selectmen in their absolute discretion to settle any and all claims for land damages on account of the relocation and reconstruction of the Boston Post Road from Stony Brook to a point west of Highland Street where the new proposed by-pass joins the old location, the amounts to be paid in settlement of such claims not to exceed the amount appropriated by the town for such purpose, and in connection with such settlement to authorize the expenditure of money for moving buildings, walls or other structures.

ARTICLE 10. To determine whether the town will vote to increase the salary of the treasurer and collector from fifteen hundred to seventeen hundred dollars.

ARTICLE 11. To determine whether the town will authorize the Board of Water Commissioners to make any extensions, additions or improvements to the town water system, whether by the acquisition of additional land and/or easements in land by eminent domain or otherwise, the construction of reservoirs and standpipes or the laying of water mains in public highways or other private property, and to appropriate money therefor and to raise by borrowing or otherwise such sums of money as may be necessary to carry out any and all votes of the town under this article and to issue such bonds or notes as may be necessary in connection therewith.

ARTICLE 12. To determine whether the town will authorize the acquisition by eminent domain and/or by purchase of an easement to lay pipes and drains and/or other interests for drainage purposes in lands adjacent to or near the intersection of Wellesley Street and Boston Post Road; and to raise and appropriate money for that purpose by borrowing or otherwise.

ARTICLE 13. To raise and appropriate, by borrowing or otherwise, such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, or as may be required to defray the expenses of the town for the ensuing year; and especially to act upon all the appropriations asked for or proposed by the Selectmen or by the town officers or committees in their reports.

And you are to serve this warrant by posting three attested copies thereof according to the vote of the town, namely, at the town house, at the Kendal Green post office, and on the town bulletin board at the junction of South Avenue and Newton Street and Park Road seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant with your doings thereon to the Selectmen at the time and place of said meeting.

Given under our hands this fourth day of March in the year of our Lord one thousand nine hundred and thirty-one.

HERBERT E. TYLER,
BENJAMIN LORING YOUNG,
BRENTON H. DICKSON, JR.,

Selectmen of the Town of Weston.

Pursuant to the within warrant I have notified and warned the inhabitants of the Town of Weston according to order.

J. SUMNER VILES,
Constable.

Annual Town Meeting, March 30, 1931.

In pursuance of the foregoing warrant, the inhabitants of the town qualified to vote in elections met in the Town Hall on Monday, March 30, 1931, at 12 o'clock noon, and were called to order by Brenton H. Dickson, Jr., Town Clerk, who read the warrant calling said meeting and the return of the officer who served the same upon the inhabitants.

The Moderator being unable to be present Frank W. Knowlton was duly elected Moderator by written ballot with the use of the check-list and was declared elected by the Town Clerk.

The lower Town Hall had been fitted up as a polling-place in conformity with the laws of the Commonwealth. The cards of instruction, penalties to voters and specimen ballots were posted in accordance with the Laws of the Commonwealth. The following election officers who had previously been appointed by the Selectmen were sworn to the faithful performance of their duties:

Ballot Clerks.

John A. Cain, Jr.

Arthur L. Vittum.

Election Officers.

Grace H. Spaulding.

John Harte.

Tellers.

Josephine A. Rand.
George H. Welcome.
Jeremiah Sliney.
Henry A. Wheeler.
Margaret E. Berry.
Benjamin P. Adams.

Anna H. Smith.
Frederick A. Cooper.
John J. Cassidy, Jr.
Peter J. Donahue.
Frank L. Jacques.
Warren E. Vittum.

The ballot-box was publicly opened and shown to be empty. The register on the box was set at zero (0) and the box immediately thereafter locked and the keys thereto delivered to the Town Clerk.

A package of 1,850 ballots was delivered to the ballot clerks by the Town Clerk who took their receipt therefor. The polls were then declared open.

Upon six occasions while the polls were open, the ballot-box was opened and ballots taken therefrom for counting, it being

deemed advisable so to do in the unanimous judgment of the Presiding Election Officer and the Town Clerk. The times of thus opening the ballot-box and the number of ballots taken therefrom were as follows:

4.15 P.M.	50 ballots
5.30 P.M.	50 ballots
6.20 P.M.	100 ballots
7.15 P.M.	50 ballots
7.25 P.M.	50 ballots
7.35 P.M.	50 ballots

At 7.45 P.M. the polls were declared closed.

The number of names checked on the voting lists used by the ballot clerks and the election officers in charge of the reception of votes was 436. The automatic register on the ballot-box read 436 and 436 ballots were taken therefrom. These ballots were counted and recorded and declaration thereof made in open Town Meeting by the Moderator:

ARTICLE 4. The following vote was passed unanimously.

Voted: That the selectmen hereby are authorized in their discretion to acquire in fee by purchase, gift or eminent domain, for the purposes of the public schools, all or any part of the land of Harry L. Bailey between the present site of the public schools and the new By-pass, so-called.

Further voted: That the sum of \$4,000.00, to be raised in the current year's tax levy, hereby is appropriated for the purchase of such land and/or for the payment of any damages occasioned by the taking thereof by eminent domain; and that the selectmen hereby are authorized in their discretion to expend all or any part of said sum of \$4,000.00 for such purposes.

ARTICLE 5. *Voted:* That there be established a permanent unpaid committee of three persons, to be known as the "Historical Committee", whose duties, subject to any votes or instructions by the town from time to time, shall be to foster the knowledge of the Town's history and the preservation of articles, documents and other property of historical nature in the town, and to have the custody, care and management of such property of that nature as has been or shall be acquired by the town and not specifically entrusted to some other officer or committee of the town. The Selectmen shall presently appoint three persons to serve on said committee, one for a term of one year, one for a term of two years and one for a term of three years; and shall annually thereafter appoint one person for a term of three years. The members of the committee shall choose a chairman and a secretary from

time to time. They shall hold offices until their successors are appointed and qualified. Any vacancy shall be filled in the manner prescribed by law.

ARTICLE 6. *Voted:* That the sum of \$12,000 be and hereby is appropriated for the purchase of a 750-gallon pumping engine for the Fire Department, said sum to be expended by the Board of Fire Engineers with the approval of the Selectmen.

ARTICLE 7. *Voted:* That the Moderator appoint a Committee of three citizens with authority to confer with the Rector of Weston College and other parties in interest and endeavor to work out a satisfactory solution of the request made by the College for permission to use a certain portion of its land for a private cemetery with instructions to report to the Selectmen their findings of facts and recommendations for action before the next special or regular Town Meeting.

ARTICLE 8. *Voted:* That Article VIII of the By-Laws of the Town be and hereby is amended by inserting in Section 2, sub-section b-2, after the word "church" the words "private school, if non-sectarian and if not organized or operated for private profit", so that Section 2, sub-section b-2 will read as follows:—

"2. . . . church, private school, if non-sectarian and if not organized or operated for private profit, public school, or other public use;"

The vote was "Yes" 338, "No" 1.

ARTICLE 9. The following vote was passed unanimously:

Voted: That, pursuant to the contract of indemnity with the Commonwealth of December 11, 1930, authorized by vote of the town at the town meeting on March 31, 1930, the selectmen hereby are authorized in their discretion to make settlements in the name and behalf of the town of any and all claims for land and/or other damages arising out of the alteration, relocation and reconstruction of Boston Post Road from a point near Stony Brook to a point west of Highland Street where the new By-pass, so-called, joins the old location, including claims of that nature arising out of an alteration and relocation of Highland Street made by order of the selectmen dated March 21, 1930, and accepted and allowed by the town at said town meeting; and, in

connection with such settlements, to make such arrangements as they in their discretion shall deem expedient relative to the moving of buildings, walls, and other structures; provided, however, that they shall not make settlements and arrangements requiring the expenditure of a total sum greater than \$13,000.00 without a further vote by the town.

Further voted: That of the sum of \$15,000.00 already appropriated under Article 13 for "Boston Post Road" in the title "Highways and Bridges", the sum of \$13,000.00 hereby is specifically allocated to the making of such settlements of claims and/or to the moving of buildings, walls, and other structures in connection therewith; and the selectmen hereby are authorized in their discretion to expend the whole or any part of said sum of \$13,000.00 for such purposes.

ARTICLE 10. *Voted:* That the salary of the Treasurer and Collector be established at \$1,700 per year effective January 1, 1931.

ARTICLE 11. The following vote was passed unanimously:

Voted: That the Board of Water Commissioners hereby is authorized in its discretion to lay new water mains of not less than six inches but less than sixteen inches in diameter in the following streets:

(a) From a point at the end of the present main at the junction of Newton Street and Ware Street, approximately 850 feet to the junction of Ware Street and South Avenue;

(b) From a point at the end of the present main at the junction of Viles Street and Conant Road, approximately 200 feet to the junction of Conant Road and Sunset Road.

Further voted: That the Board of Water Commissioners hereby is authorized to expend for the laying of such new mains the whole or any part of the sum of \$13,500.00 which hereby is appropriated for that purpose, to be raised by incurring indebtedness outside the debt limit under authority of chapter 44 of the General Laws as amended, for which purpose the Treasurer with the approval of the Selectmen hereby is authorized to prepare, issue and sell bonds or coupon notes of the town in said principal amount of \$13,500.00, payable in not more than 15 years from the date of said bonds or notes or for such shorter period as the Treasurer and Selectmen may determine, with annual maturities

in accordance with General Laws, chapter 44, section 19, as amended. Said bonds or notes shall be designated on their face "Weston Water Main Loan, Issue of 1931", shall bear interest at a rate not exceeding 5% per annum, payable semi-annually, shall be signed by the Treasurer and countersigned by at least a majority of the Selectmen, and shall state on the face thereof that they are exempt from taxation in Massachusetts. Said bonds or notes shall not be obligatory upon the town without an authenticating certificate thereon of a trust company or national bank to be designated by the Selectmen, shall be in coupon form but subject to registration as to principal and may be sold from time to time by the Treasurer under the direction of the Selectmen at public or private sale, with or without notice or advertisement, but at not less than par and accrued interest. Premiums received on said bonds or notes less the cost of preparing, issuing and marketing them shall be applied to the payment of the principal of the first bonds or notes so to mature. All other particulars as to form, issuance and sale of said bonds or notes shall be determined by the Treasurer with the approval of the Selectmen. For the purpose of payment of principal and interest on said bonds and notes as they become due, there shall be raised by taxation each year a sum which, with the income derived from water rates and charges, shall be sufficient to pay said principal and interest coming due in said year until all of said bonds or notes hereby authorized have been paid.

After prolonged discussion of matters pertaining to the water department, it was *Voted*: That all matters of extensions, additions, or improvements to the Town water system not acted upon at this meeting be and they hereby are referred to Arthur D. Weston, Chief Engineer of the Department of Public Health of the Commonwealth of Massachusetts and P. C. Charnock, Chief Engineer of the New England Insurance Exchange, for their opinion, their report to be made to the Town as soon as possible.

Two hundred forty-three voted in favor of and twenty-five against this motion.

ARTICLE 12. The following vote was adopted unanimously:

Voted: That the Selectmen hereby are authorized in their discretion to acquire by eminent domain and/or by purchase, sub-

ject to all rights of the Commonwealth in the location of Boston Post Road and the new By-pass, so-called, an easement to lay, repair, replace and maintain at any level or depth a pipe or pipes for drainage purposes in certain land of Harry L. Bailey and Zada J. Robertson near the intersection of Wellesley Street and Boston Post Road; namely, a strip of land 16 feet wide, the center line of which begins at a point at or near the intersection of the present brook and the southwest side line of said By-pass, and which runs generally in the brook in a general northeasterly direction about 337 feet to a point in or near the northeast side line of Boston Post Road; and thence about 350 feet across a pond to a point in an old mill foundation, a more particular description of which strip of land appears on a plan of the Department of Public Works dated February 26, 1931; such easement to include the right to fill in or otherwise alter the brook along said pipe line and to alter the water level of said pond.

Further voted: That of the sum of \$15,000.00 already appropriated under Article 13 for "Boston Post Road" in the title "Highways and Bridges", the sum of \$2,000.00 is hereby specifically allocated to the purchase of such easement and/or to the payment of any damages occasioned by the taking thereof by eminent domain; and the selectmen hereby are authorized in their discretion to expend the whole or any part of said sum of \$2,000.00 for such purposes.

At 10.15 P.M. it was *Voted:* That this meeting be now dissolved.
DISSOLVED.

THE COMMONWEALTH OF MASSACHUSETTS.

DEPARTMENT OF PUBLIC WORKS.

STATE HOUSE, BOSTON, May 1, 1931.

MR. B. H. DICKSON, JR., TOWN CLERK, WESTON, MASS.

Dear Sir: Acting under the provisions of Chapter 81 of the General Laws, as amended, the Department of Public Works did, under date of April 21, 1931, alter the location of a section of State highway previously laid out in the town of Weston, and did abandon certain land previously taken for State highway purposes. A plan showing said abandonment and the State highway as altered, and certificates that said Department of Public Works has abandoned said land and has laid out and taken charge of said State highway as altered in accordance with said plan are sent you herewith for filing in your office according to the law.

An attested copy of the adjudication and votes of the Commissioners relative to said abandonment and alteration is enclosed for filing in your office.

Kindly sign and return to this office as soon as possible the enclosed form of receipt.

Yours truly,

MARY A. RILEY,
Secretary.

THE COMMONWEALTH OF MASSACHUSETTS.

DEPARTMENT OF PUBLIC WORKS.

LAYOUT 2768.

Whereas, the Department of Public Works acting on behalf of the Commonwealth of Massachusetts, did, under date of January 13, 1931, lay out and take charge of as a State highway a road in the town of WESTON, county of Middlesex, leading from Weston to Waltham, as shown on the plans of said state highway on file in the office of the Department of Public Works, copies of

which plans have been filed in the office of the County Commissioners of said County of Middlesex, at Cambridge, and in the office of the Town Clerk of said Town of Weston; and

Whereas, it now appears advisable to make certain changes in the location lines of said State highway;

Now, therefore, acting under the provisions of Chapter eighty-one of the General Laws, and acts in amendment thereof and in addition thereto, the Department of Public Works adjudges that public necessity and convenience require that the Commonwealth should alter the location of said State highway, and should lay out and take charge of said State highway as altered, as hereinafter described.

The alteration is located between Wellesley and School Streets and consists of a widening on the southerly side of the State highway, and of the abandonment of certain portions of the State highway on the northerly and southerly sides of the road; said abandonment being made under the provisions of Section 12, Chapter 81 of the General Laws, and all other acts in amendment thereof and in addition thereto.

The section of State highway as altered by the aforesaid widening and abandonment and as hereby laid out is more fully described as follows:

The base line of location of the section of State highway hereby altered and laid out is identical with the base line of location of the aforesaid 1931 State highway layout, beginning at a point shown on plan as station 59+11.92, and extending thence north $82^{\circ} 39' 50''$ west for a distance of 314.74 feet; thence by a curve to the left of 3161.11 feet radius for a distance of 506.35 feet; thence south $88^{\circ} 09' 30''$ west for a distance of 594.37 feet to a point at the end of the alteration shown on plan as station 73+27.38.

The southerly line of location of the section of State highway hereby altered and laid out begins at a point on the southerly location line of the aforesaid 1931 State highway layout bearing south $6^{\circ} 41' 25''$ west and 99.56 feet distant from the point of beginning of the above-described base line shown on plan as station 59+11.92, and extends thence, leaving said 1931 location

line, northerly, north-westerly and westerly by a curve of 43.99 feet radius for a distance of 70.96 feet to a point bearing south $7^{\circ} 20' 10''$ west and 56.12 feet distant from a point on said base line shown on plan as station 59+57.14; thence north $85^{\circ} 43' 58''$ west for a distance of 435.36 feet to a point bearing south $4^{\circ} 16' 02''$ west and 75.00 feet distant from a point on said base line shown on plan as station 63+95.97; thence by a curve to the left of 3086.11 feet radius for a distance of 252.98 feet to a point bearing south $0^{\circ} 25' 46''$ east and 75.00 feet distant from a point on said base line shown on plan as station 66+55.10; thence south $89^{\circ} 34' 14''$ west for a distance of 622.80 feet to a point bearing south $0^{\circ} 25' 46''$ east and 60.61 feet distant from a point on said base line shown on plan as station 72+78.08; thence by a curve to the left of 1940.00 feet radius for a distance of 73.09 feet, in part by said 1931 location line, to a point at the end of the alteration bearing south $20^{\circ} 56' 38''$ west and 65.26 feet distant from the point of ending of the above-described base line shown on plan as station 73+27.38.

The northerly line of location of the section of State highway hereby altered and laid out begins at a point on the northerly location line of the aforesaid 1931 State highway layout, bearing north $10^{\circ} 20' 57''$ west and 63.10 feet distant from a point on said base line shown on plan as station 60+11.47, and extends thence, leaving said location line, north $85^{\circ} 43' 58''$ west for a distance of 368.19 feet to a point bearing north $4^{\circ} 16' 02''$ east and 45.00 feet distant from a point on said base line shown on plan as station 63+95.97; thence by a curve to the left of 3206.11 feet radius for a distance of 262.82 feet to a point bearing north $0^{\circ} 25' 46''$ west and 45.00 feet distant from a point on said base line shown on plan as station 66+55.10; thence south $89^{\circ} 34' 14''$ west for a distance of 622.80 feet to a point bearing north $0^{\circ} 25' 46''$ west and 59.39 feet distant from a point on said base line shown on plan as station 72+78.08; thence by a curve to the left of 2060.00 feet radius for a distance of 116.63 feet, in part by said 1931 location line, to a point at the end of the alteration, bearing north $50^{\circ} 00' 29''$ west and 88.38 feet distant from the point of ending of the above-described base line shown on plan as station 73+27.38.

All portions of the 1931 State highway layout lying outside of the above-described southerly and northerly location lines are hereby abandoned.

The southerly and northerly lines of location of the section of State highway hereby altered and laid out are further defined by bounds set at all points of curvature and at the beginning and end of the alteration; said State highway as altered and laid out and the portions of land hereby abandoned being shown on a plan drawn by A. W. Dean, Chief Engineer, entitled: "The Commonwealth of Massachusetts Plan of Road in the Town of Weston Middlesex County Altered and laid out as a State Highway by the Department of Public Works April 21, 1931. Scale 40 feet to the inch", and on file in the office of the Department of Public Works.

It is therefore

Voted, That the portions of State highway shown on said plan and marked "Abandonment" be and the same are hereby abandoned; that the Secretary of the Department of Public Works be and hereby is instructed to file in the office of the County Commissioners of the County and in the office of the Clerk of the Town in which said land is located, certified copies of said plan and of a certificate signed by at least a majority of the members of the Department of Public Works, attesting that the said Department of Public Works has abandoned the land herein referred to and as shown on said plan, together with a copy of this adjudication and vote.

It is also *Voted*, That said way as altered, as described herein and as described and shown on said plan, be and the same is hereby laid out and taken charge of by the Commonwealth; that the secretary of the Department of Public Works be and hereby is instructed to file in the office of the county commissioners of the county and in the office of the clerk of the city or town in which said way is located, certified copies of said plan and of a certificate signed by at least a majority of the members of the Department of Public Works, attesting that the said Department of Public Works has laid out and taken charge of said way as

altered, in accordance with said plan, together with a copy of this adjudication and vote.

Dated at Boston, this twenty-first day of April, 1931.

TO THE MIDDLESEX COUNTY COMMISSIONERS:

Respectfully represent the undersigned inhabitants of the Town of Weston, in said County, that Church Street and Pigeon Hill Road, in said town, near the Boston and Maine Railroad, are in need of relocation, as the lines of said Church Street from said Boston and Maine Railroad location on the westerly side of Church Street to Pigeon Hill Road, and the curve joining said road, are indefinite and ill defined; also, that the southerly line of Pigeon Hill Road, for about 165 feet, from the curve joining said road with Church Street should also be located and made certain.

Wherefore, we pray you will relocate said roads.

**Order of Taking of Rights for Drainage Purposes in Lands
of Harry L. Bailey and Zada J. Robertson in Weston,
Middlesex County, Massachusetts.**

We, the Selectmen of Weston, acting under the authority conferred upon us by law and by a vote of the Town at the annual Town meeting on March 30, 1931, and deeming that public necessity and convenience require it, hereby adopt this order, whereby we take in behalf of the Town, for drainage purposes, the right to lay, repair, replace and maintain at any level or depth a pipe or pipes in the following described parcels of land:

First Parcel: Beginning at a point in the northerly side line of the 1931 State Highway Layout (the new By-pass, so called) where it is first intersected by a line bearing N. 54 deg. 12 min. 28 sec. E. from Station 60 plus 80.76 of the base line thereof; thence running in a westerly direction along said side line approximately 13 feet to a point where it is intersected by a line parallel to and 8 feet distant from the first intersecting line; thence N. 54 deg. 12 min. 28 sec. E. along said parallel line to a point where it again intersects said side line; thence along said side line on a curve to the right to the point of beginning. We believe that this parcel is owned by Harry L. Bailey.

Second Parcel: Beginning at a point in the northeasterly side line of Boston Post Road (formerly Central Avenue, as established by Massachusetts Highway Commission in 1898) bearing N. 58 deg. 38 min. E. from Station 61 of the base line of said 1931 State Highway Layout; thence running N. 71 deg. 37 min. 26 sec. E. about 350 feet across a pond to the easterly side of an old mill foundation; thence in a northerly direction by the easterly side of the old mill foundation to its intersection with a line parallel to and 16 feet distant from said course of about 350 feet; thence across said pond S. 71 deg. 37 min. 26 sec. W. by said parallel line to its intersection with the northwesterly property line of Zada J. Robertson at a stone wall; thence in a southwesterly direction along said property line approximately 15 feet to said easterly side line of Boston Post Road; thence along said side line to the point of beginning. We believe that this parcel is owned by Zada J. Robertson.

The two parcels above described are shown on a plan made by

the Department of Public Works of the Commonwealth, dated February 26, 1931, and entitled "Plan of Proposed Pipe Line and Outlet at About Sta. 60—20 on the 1931 State Highway Lay-out in the Town of Weston," which plan hereby is approved by us, verified by our signatures and adopted as a part of this record.

We further take, for drainage purposes, the right to fill in and/or otherwise alter a brook in said parcels of land and the right to alter the water level of said pond.

No betterments are to be assessed. Trees and structures upon said parcels of land are taken so far as may be necessary and/or convenient to effectuate the rights taken.

We award no damages for this taking to Harry L. Bailey. We award to Zada J. Robertson the sum of one thousand dollars (\$1,000) as damages, to be paid to her by the Town.

A certified copy of this order of taking and a copy of said plan are to be recorded in the Registry of Deeds for Middlesex County, South District, within thirty days after the date hereof.

Dated May 11, 1931.

Town Warrant. .

COMMONWEALTH OF MASSACHUSETTS.

MIDDLESEX, SS.

To any Constable of the Town of Weston,

GREETING:

In the name of the Commonwealth you are hereby required to notify and warn all of the inhabitants of the said town, qualified by law to vote in elections and town affairs, to meet in the Town

Hall, in said town, on Wednesday, the twenty-seventh day of May, 1931, at 8.00 o'clock, P.M. to act on the following article of this warrant.

ARTICLE 1. To consider and act upon certain recommendations of the Board of Water Commissioners as submitted to the meeting relative to the enlargement and improvement of the water system of the town, to authorize the transfer of unexpended balances of appropriations for expenses heretofore authorized, to authorize the acquisition of additional land and easements in land by eminent domain or otherwise, to appropriate money for extensions, alterations, improvements and additions to the said water system, including the laying of mains and the construction of standpipes or reservoirs, and to raise and appropriate by borrowing or otherwise such sums as may be necessary to carry out all votes of the town under this article, and to issue such bonds or notes as may be necessary in the premises.

And you are to serve this warrant by posting three attested copies hereof according to the vote of the town, namely, at the town house, at the Kendal Green post office, and on the town bulletin board at the junction of South Avenue and Newton Street and Park Road seven days at least before the time appointed for said meeting.

Hereof fail not; and make due return of this warrant with your doings thereon to the Selectmen at the time and place of said meeting.

Given under our hands this fourteenth day of May in the year of our Lord one thousand nine hundred and thirty-one.

HERBERT E. TYLER,
B. LORING YOUNG,
BRENTON H. DICKSON, JR.,
Selectmen of the Town of Weston.

Pursuant to the within warrant, I have notified and warned the inhabitants of the Town of Weston according to order.

J. SUMNER VILES,
Constable.

Special Town Meeting, May 27, 1931.

Pursuant to the foregoing warrant, a meeting of the inhabitants qualified as aforesaid, was held at the time and place appointed. At 8 o'clock P.M. a quorum being present, the meeting was called to order by Frank W. Knowlton, Moderator. The warrant calling said meeting and the return of the officer who served the same upon the inhabitants were read by Brenton H. Dickson, Jr., Town Clerk.

ARTICLE 1. *Voted:* That the recommendations of the Board of Water Commissioners as submitted to this meeting relative to the enlargement and improvement of the water system of the Town be and the same are approved and adopted, and that the sum of \$44,000 be and hereby is appropriated for the acquisition of land and/or easements in land and for the construction of a steel standpipe on Doublet Hill and the installation of additional driven wells near the Kendal Green Pumping Station including necessary pipe connections thereto, and that to raise said amount the Town Treasurer with the approval of the Selectmen is hereby authorized to prepare, issue and sell bonds or notes of the Town payable in accordance with Chapter 44 of the General Laws as amended, in not more than twenty years from the date of said bonds or notes, or for such shorter period as the Treasurer and Selectmen may determine, in separate series or in combination with other bonds or notes duly authorized for purposes outside the debt limit, so long as the resulting annual maturities on said consolidated issues satisfy legal requirements as to annual maturities of each series in accordance with section 19 of chapter 44 of the General Laws. Said bonds or notes shall state on the face thereof that they are exempt from taxation in Massachusetts and said bonds shall not be obligatory upon the town without the authenticating certificate thereon of a trust company or national bank to be designated by the Selectmen. Said bonds shall be in coupon form but subject to registration as to principal and may be sold from time to time by the Town Treasurer under the direction of the Selectmen at public or private sale with or without notice or advertisement, but at not less than par and accrued interest. Premiums received on said notes or bonds less the cost

of preparing, issuing and marketing them shall be applied to the payment of the principal of the first notes or bonds so to mature. All other particulars as to form, issuance and sale of said bonds shall be determined by the Town Treasurer with the approval of the Selectmen. For the purpose of payment of principal and interest of said bonds as they become due there shall be raised by taxation each year a sum which with the income derived from water rates and charges shall be sufficient to pay said principal and interest coming due in said year until all of said bonds hereby authorized have been paid;

Further voted: That the Board of Water Commissioners and the Board of Selectmen acting jointly be and hereby are authorized to acquire by purchase, gift, eminent domain or otherwise sufficient land or easements in land on or near Doublet Hill for the construction of the proposed standpipe and for a right of way giving access thereto as outlined in the recommendations of the Board of Water Commissioners submitted to this meeting and that of the sum of \$44,000 already appropriated the sum of \$5,000 is specifically allocated for the purchase of such land or easements and/or the payment of any damages occasioned by any takings of land or easements in land by eminent domain and that the Board of Water Commissioners with the approval of the Selectmen be and hereby are authorized to expend all or any part of said sum of \$5,000 in the purchase of land and easements in land and/or, the payment of land damages;

Further voted: That the sum of \$19,000 be and the same is hereby appropriated for the purpose of constructing a pipe line not less than six inches in diameter to run from the proposed standpipe on Doublet Hill and to connect with the water main now installed in Newton Street, and for laying additional water mains not less than six inches in diameter, — and to raise said amount the Town Treasurer with the approval of the Selectmen is hereby authorized to prepare, issue and sell notes or bonds of the town in said principal amount of \$19,000 payable in not more than fifteen years from the date of said notes or bonds or for such shorter period as the Treasurer and Selectmen may determine, in separate series or in combination with other bonds or notes duly authorized for purposes outside the debt limit, so long as

the resulting annual maturities on said consolidated issues satisfy legal requirements as to annual maturities of each series in accordance with section 19, chapter 44 of the General Laws. Said bonds or notes shall state on the face thereof that they are exempt from taxation in Massachusetts and said bonds shall not be obligatory upon the town without the authenticating certificate thereon of a trust company or national bank to be designated by the Selectmen. Said bonds shall be in coupon form but subject to registration as to principal and may be sold from time to time by the Town Treasurer under the direction of the Selectmen at public or private sale with or without notice or advertisement, but at not less than par and accrued interest. Premiums received on said notes or bonds less the cost of preparing, issuing and marketing them shall be applied to the payment of the principal of the first notes or bonds so to mature. All other particulars as to form, issuance and sale of said bonds shall be determined by the Town Treasurer with the approval of the Selectmen. For the purpose of payment of principal and interest of said notes or bonds as they become due there shall be raised by taxation each year a sum which with the income derived from water rates and charges shall be sufficient to pay said principal and interest coming due in said year until all of said notes or bonds hereby authorized have been paid;

Further voted: That the Board of Water Commissioners and the Board of Selectmen acting jointly be and hereby are authorized to acquire by purchase, gift, eminent domain or otherwise land or adequate easements in land for the laying and maintenance of said proposed pipe line through lands of the Weston Real Estate Trust, Pine Brook Valley Country Club, Commonwealth of Massachusetts and other individuals or corporations to Newton Street and that of the sum of \$19,000 already appropriated the sum of \$1,000 is specifically allocated for the purchase of such land or easements and/or the payment of any damages occasioned by any takings of land or easements in land by eminent domain and that the Board of Water Commissioners with the approval of the Selectmen be and hereby are authorized to expend all or any part of said sum of \$1,000 for the acquisition of land and easements in land and/or the payment of land damages.

Two hundred twenty-six persons voted in the affirmative and 76 in the negative.

At 10.25 P.M. it was voted to dissolve the meeting.

Dissolved.

MIDDLESEX, SS.

At a meeting of the County Commissioners for the County of Middlesex holden at Cambridge, within and for said County, on the first Tuesday of June, in the year of our Lord one thousand nine hundred and thirty-one. The inhabitants of Weston, in said County, by their petition to said Commissioners — among other matters — pray that Church Street and Pigeon Hill Road may be relocated as will more fully appear, reference being had to the petition filed of record in the case.

The petition was presented to the County Commissioners at their meeting holden at Cambridge, within and for said County, on the first Tuesday of January, A.D. 1931, when and where notice was ordered given to all persons and corporations inter-

ested therein of the time and place when and where said Commissioners would meet for the purpose of viewing the premises and hearing the parties as by their order of notice on file and record will more fully appear.

And at the time of said hearing no person interested objecting and said relocation being deemed necessary, and said Commissioners proceeded without further notice to relocate said ways and thence said petition has been continued to this time.

And now the said Commissioners make final return of their proceedings in the premises, as follows: said Commissioners having given notice as the law directs, met at the Court House in said Cambridge on the fifth day of June, in the year nineteen hundred and thirty-one, and no person appeared to object.

The premises having been examined, and the parties fully heard, said Commissioners proceeded to relocate said ways and the following description is a true description of said ways as hereby relocated: —

The westerly line of Church Street begins at the northerly line of the location line of the Boston and Maine Railroad and is thence S. $21^{\circ} 35' W.$, 20.85 feet to a stone bound; thence on a curve of 169.47 feet radius to the right 133.69 feet to a stone bound; thence on a curve of 34.94 feet radius bearing to the left 81.47 feet to a point S. $66^{\circ} 48' 37'' E.$, 0.13 feet from a drill hole in the stone bound marking the old end of a curve as formerly laid out; thence from said point N. $66^{\circ} 48' 37'' W.$, 162.65 feet by the southerly line of Pigeon Hill Road to a stone bound.

The above description is intended to conform to a plan entitled —

PLAN

Showing Street Line as of E. G. C.
(Elimination Grade Crossing)

Also Street Line as Bounded

WESTON, MASS.

Scale 1 in. = 20 Ft.

Jan. 1931

prepared by Roland Rand, Civil Engineer, Weston, Mass.

The above relocation is intended to make certain the lines of said Church Street and Pigeon Hill Road and no orders with respect to construction are necessary.

The lines as defined abut in part on the property known as Pigeon School property formerly of Robert Winsor.

No damages are awarded, the takings being of very small amount, if any.

In witness whereof, we, the said County Commissioners have hereunto set our hands this twelfth day of June in the year of our Lord one thousand nine hundred and thirty-one.

Perambulation of the Weston-Wellesley Line.

We, the subscribers, Selectmen of the Towns of Weston and Wellesley, have this 19th day of December, 1931, perambulated the lines and renewed the bounds between said towns, and report as follows:—

Beginning at a stone monument standing in the wall on land owned by Andrew Loker, Marked W N N, being the corner of Weston, Wellesley and Natick; thence running North $79\frac{1}{2}$ degrees East 16,436 feet, to an iron bolt bolted on to a rock in Charles River, it being the corner of Weston, Wellesley and Newton; by land of Charles W. Hubbard, it being a straight line according to a survey made by Robert Mansfield in 1866. Between are the following stone bounds, viz.:—

- No. 1. On Wellesley street, near house of John L. Card.
- No. 2. On the summit of a large hill in the woods on land of E. R. Peirce.
- No. 3. On the top of a small knoll in the woods on land of E. R. Peirce.
- No. 4. On a hill near a pond.

- No. 5. Stone monument marked W W, standing on the north side of Glen Road near house of W. H. Jennings.
- No. 6. Equal distance between No. 5 bound and Charles River near a large Oak tree, on the South side of Ox Bow Road.
